WCS 117 North Dock and Kayak Launch
Address: 5661 Barlow Terrace, North Port, FL 34287
Coordinates: 27.037487, -82.209517

WCS 117 North Dock and Kayak Launch

The WCS 117 North Dock and Kayak Launch is a floating dock system from EZ Dock. The dock is comprised of floating polyethylene sections, a polyethylene kayak launch system, a gangway, and anchored by galvanized metal poles. Because EZ Docks are durable and slip-resistant, paddlers remain safe especially when launching and docking.
