I wish to serve on the Environmental Advisory Board because when I grow up I want to be a vet. I have always loved every type of animal from reptiles to birds and wish to help them in every way possible. I have a lot of animals of my own, including 2 cats, a tortoise, a bearded dragon , 2 quails and 2 long-tailed lizards. I wish to protect the native and endangered species like the gopher tortoise, scrub jays and Florida panthers. I also am interested in protecting the plants of our state, I have planted 2 gardens at my middle school and wish to help the plants
