PROJECT:	PLF-23-010, Brightmore at Wellen Park, Phases 1A-1C, 2A, and 3 - Replat of Tract 514 and Tract 608 (QUASI-JUDICIAL)
REQUEST:	Approval of replatting a portion of Tract 514 and 608
APPLICANT:	John Luczynski, Vice President of Manasota Beach Ranchlands, LLLP
OWNER:	Manasota Beach Ranchlands, LLLP
LOCATION:	Within Village G; North of Manasota Beach Road and East of S. West Villages Parkway (Section 4, Township 40 South, Range 20 East, North Port, Florida.)
PROPERTY SIZE:	± 0.6021 Acres
ZONING:	Village (V)

I. BACKGROUND

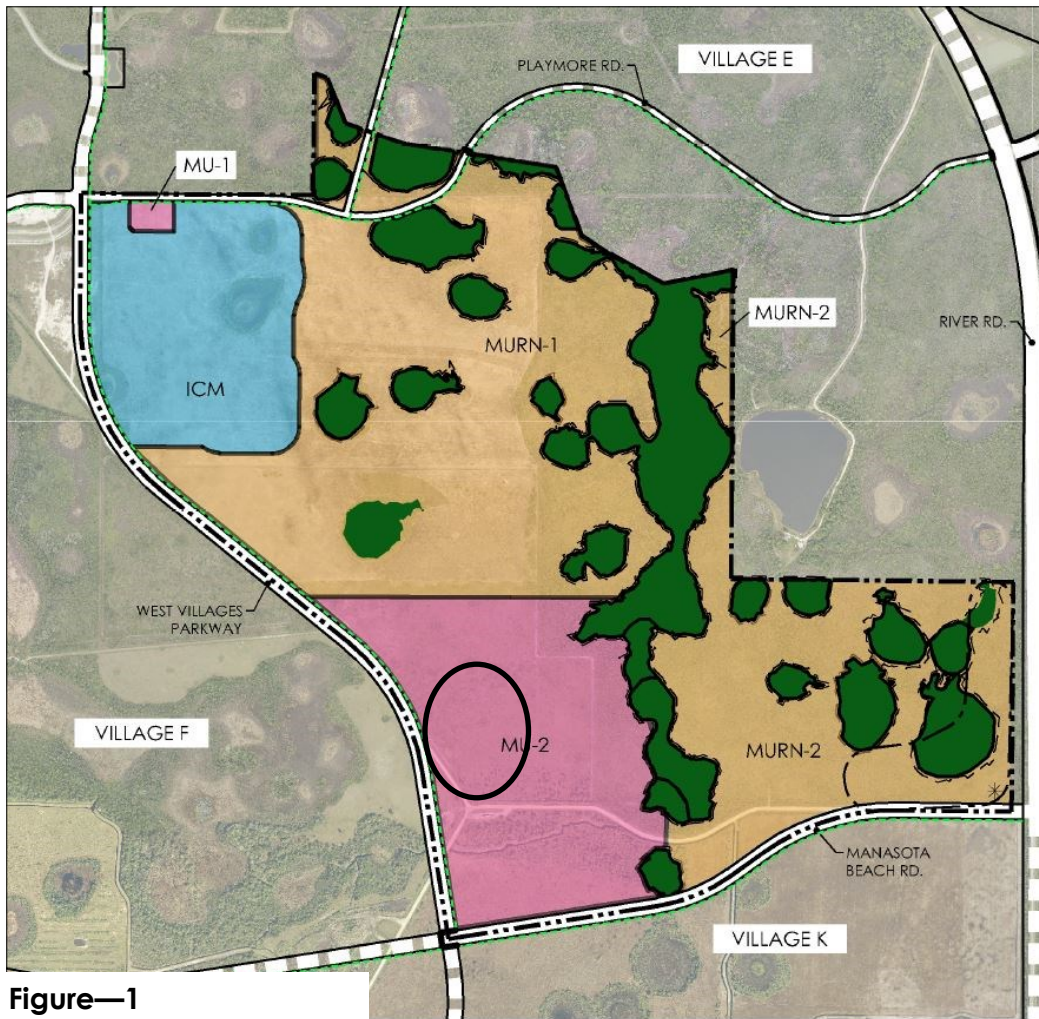

The purpose of the replat is to modify a portion of Tract 514 and Tract 608 and to slightly change the shape of pond 9 to accommodate the enhanced monument sign and the entry features. The new pond shape is designed to match the previous pond areas as best as possible to avoid any significant impacts on the master stormwater management system.

Tract 514A includes a stormwater tract, lake drainage, lake maintenance access, landscaping, irrigation, and utility easements. Tract 514A is under the ownership of the West Villages Improvement District. Tract 608A comprises a private common area, recreation area, drainage, lake maintenance access easement, private landscaping, irrigation, walls, access, signage, and utility easements. It is under the ownership of Brightmore at Wellen Park Homeowners Association. The entire site contains approximately ± 0.6021 acres.

The site is located within the Village G, West Villages Improvement District (Wellen Park) development in the MU-2 (Mixed Use) area, as shown in Figure 1 below, north of Manasota Beach Road, east of S. West Villages Parkway.

In February 2022, the infrastructure (INF-21-340) and subdivision (SCP-21-341) plans for Village G were approved by City staff. A revision to the approved infrastructure (REV-23-049) and subdivision plans (REV-23-050) to correspond to the replat was approved in March 2023.

The City received a surety bond of 4,393,477.55 for sanitary sewer, water distribution and infrastructure improvements.

Dear Fund Member:

We have examined title to the property described in Schedule A attached and prepared these schedules to be used exclusively for the purpose of issuing a commitment or policy of title insurance underwritten by Old Republic National Title Insurance Company.

Please review the schedules before signing and inserting in an ALTA 2016 Commitment (CF6R) jacket. Subject to your agency authorization, you must:

- A. Add additional requirements and/or exceptions to Schedule B that you find necessary from your analysis of the present transactions.**
- B. Evaluate Schedule A and B and issue endorsements as may be appropriate, deleting or modifying the Schedules.**
- C. Obtain an ALTA 2016 Commitment (CF6R) jacket, which must be included with Schedules A & B of the ALTA 2016 Commitment.**

DoubleTime users must be on version 7.0.6 or later to obtain CF6R jackets electronically. You may upgrade for free by going to www.thefund.com/dt.

Non DoubleTime users can obtain and track ALTA 2016 Commitment (CF6R) jackets by using ePolicyManager. You may also download and print the CF6R jacket by [clicking here](#).

Our examination of title reflects only those matters recorded in the Official Records Books. You are responsible for such other off-record examinations and checks as you may find necessary pursuant to underwriting procedures. When the interest you are insuring is a personal property interest (such as a mortgage, a leasehold or cooperative interest), a federal tax lien search of the Secretary of State's records may be required. See Fund Title Note 30.02.08.

Where the amount of insurance is \$3 million or less, a 20-year judgment and lien search was only performed on the proposed insured purchaser if the mortgage(s), if any, insured by this commitment is not entirely purchase money in nature.

The Fund appreciates this opportunity to be of service. Please contact us if you have any questions.

Sincerely,

Attorneys' Title Fund Services, LLC
