I am eager to serve on the NP2 Committee to bring a balanced, business-oriented lens to our city’s community development efforts. Having lived and operated businesses in North Port for 21 years, I deeply understand our unique community landscape and the vital role non-profits play in it. The NP2 program’s structured approach to equipping non-profits with tangible, mission-critical assets resonates with my belief in practical, accountable philanthropy. I look forward to collaborating with fellow civic leaders to thoughtfully evaluate requests and distribute support where it will drive the greatest local impact.
