PROJECT:	2790 Lamkin Road partial vacation of the platted rear easement, VAC-24-039
REQUEST:	Vacate a portion of the rear maintenance easement in order to construct an in-ground swimming pool and pool cage
APPLICANTS:	Christopher and Leann Silva (Exhibit A—Affidavit)
OWNERS:	Christopher and Leann Silva (Exhibit A—Warranty Deed)
LOCATION:	PID: 1120-16-0402
PROPERTY SIZE:	± 0.23 Acre (10,000 square feet)
ZONING:	Residential Single Family 2 (RSF-2)

I. BACKGROUND

On March 4, 2024, the Planning & Zoning Division received an application petitioning the City of North Port to grant a vacation of a portion of the platted rear 20-foot maintenance easement located on Lot 2, Block 1604 of the 32nd Addition to the Port Charlotte Subdivision. The purpose of this vacation request is to construct an in-ground swimming pool and enclosure. The area to be vacated encompasses approximately 480 square feet. The subject property is zoned Residential Single Family 2 (RSF-2) with a Future Land Use designation of Low Density Residential.

II. PROJECT SUMMARY

Christopher and Leann Silva are requesting a vacation of a ±480 square foot portion of the platted rear 20-foot maintenance easement on Lot 2 to allow for construction of an inground swimming pool and cage.

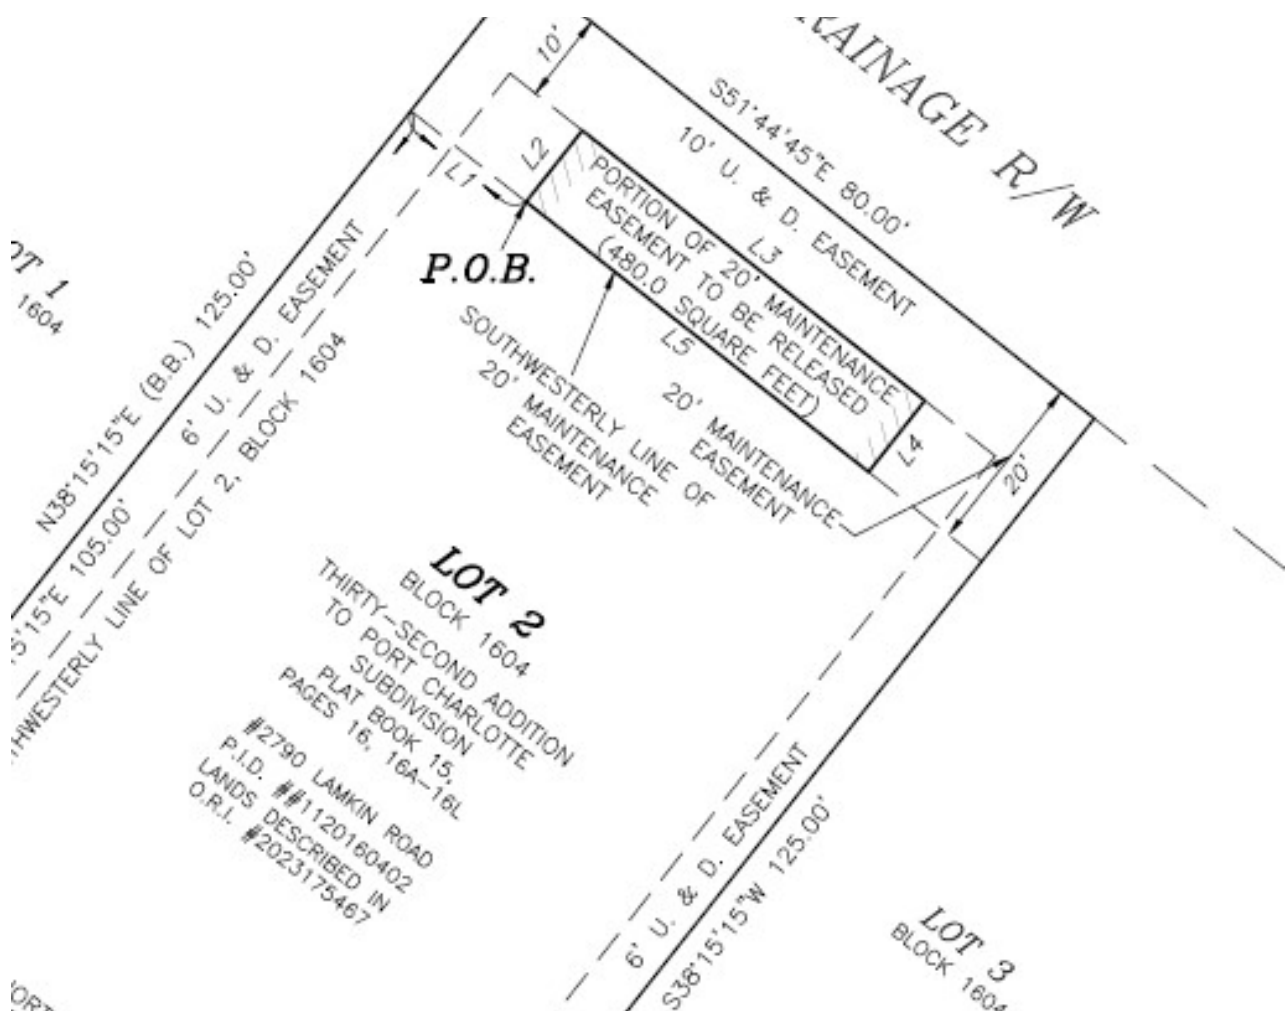

Figure 1—Sketch and description of easements to be vacated

III. REVIEW PROCESS

STAFF REVIEW

The following agencies have reviewed the request to vacate a portion of the platted rear 20-foot maintenance easement and through written response have granted their approval. (**Exhibit B—Notification to Utility agencies and responses**).

Utility Agency	Response
Amerigas	No response
Comcast/Truenet Communications	Is granted
Florida Power and Light	No response
Frontier	Is granted
North Port Fire/Rescue	Is granted
North Port Public Works	Is granted
North Port Utilities	Is granted

Please note that if no written response is received then it is assumed that the utility agency has no objection.

Based on the responses received, the request to vacate the rear 20-foot drainage maintenance easement meets the following:

1. It is a vacation of a public easement.
2. The easement is not needed to provide City service to any property.
3. No public utilities or City facilities are located or planned to be located in the area.
4. The easement is not necessary to any logical extension of public utility service, sanitary sewer service, drainage or other City services to any property in the future, or an alternate and equally acceptable easement of such extension has been dedicated to the City.

CITY ATTORNEY REVIEW

The City Attorney has reviewed the accompanying Resolution 2024-R-29 as to form and correctness.

IV. DATA AND ANALYSIS

FLORIDA STATUTES

FLORIDA STATUTES, CHAPTER 177

Chapter 177 of the Florida Statutes provides requirements that regulate and control the platting of lands. Furthermore, Chapter 177.101 of the Florida Statutes lists the actions needed in making an application for vacation of plats either in whole or in part. The individual requesting a partial vacation of plat must give notice of their intention to apply to the governing body to vacate the plat by publishing a legal notice in a newspaper of general circulation in the county in which the tract or parcel of land is located, in not less than two weekly issues of said paper, and must attach to the petition for vacation the proof of said publication, together with proof that taxes have been paid.

Findings & Conclusion: The warranty deed and affidavit provided to the City as a part of the application established that the property owners own the fee simple title of the subject property, and have authorized the applicant to file the subject application. Based on staff review (detailed as a part of Section III of this document), as well as the due-diligence correspondence with Utility agencies, it is determined that this vacation of the platted rear maintenance easement does not affect the ownership or right of convenient access of persons owning any other parts of the subdivision. The applicant filed a notice of intent to petition the City of North Port to vacate a portion of the rear utility easement by publishing a legal notice in the North Port Sun newspaper on April 22, 2024, and April 29, 2024 (**Exhibit C—Notice of Intent**). Additionally, the applicant has provided to the City of North Port Planning and Zoning Division, an application to request a partial vacation of platted rear maintenance easement, a Publisher’s Affidavit, certification that taxes have been paid, and all other requisite documents (**Exhibit D— Certification that all applicable taxes have been paid**).

ULDC CHAPTER 53

CHAPTER 53 ZONING REGULATIONS

The Unified Land Development Code (ULDC) contains regulations that govern the development and land use within the incorporated area of the City of North Port, Florida. Chapter 53 of the ULDC, Part 4. Administrative Provisions, Article XXVIII. Administration and Enforcement, Sec. 53-267.D. allows for a vacation of platted easements provided that platted easements shall be vacated in accordance with Florida Statutes Chapter 177.

Findings & Conclusion: Staff reviewed the Petition VAC-24-039 relative to ULDC Chapter 53 Zoning Regulations. Pursuant to the provisions in Florida Statutes Chapter 177.101, the applicant did file a notice of intent to apply to the City of North Port Planning & Zoning Division for two weekly issues on April 22, 2024 and April 29, 2024. Additionally, the applicant provided to the City of North Port Planning and Zoning Division, an application to request a

vacation of the platted rear maintenance easement, a Publisher's Affidavit, certification that taxes have been paid, and all requisite documents.

Staff concludes that the proposed Petition VAC-24-039 is consistent with Chapter 53 of the ULDC.
