

Twelve Month Impact Statement

Define your non-profits missions/goals?

Kiwanis helps children and individuals in the city.

Kiwanis buys underwear for children and donates it to schools.

Kiwanis partners with other nonprofits to help them raise money.

Kiwanis gives Scholarships to Seniors who logged many hours of Community Service

Indicators or methods used to measure impact?

Kiwanis knows when a school nurse or homeschool liaison calls and has a need like underwear, shoes, sneakers, snacks or school uniforms that it is serving a need.

Kiwanis knows that other nonprofits like Project Graduation and Friends of the Library struggle with fundraising so by helping them do a fundraiser and letting them keep the money it is a measured success.
