Title of Project:	North Port Hurricane Preparedness & Disaster Response Community Outreach
Amount Requested:	\$2,000.00
Please describe the item needed:	This proposal seeks funding to enhance hurricane preparedness efforts across North Port and the greater Sarasota County area. Through our mobile Canteen, we deliver essential resources and educational outreach at community hurricane expos, workshops, and forums. Supplies needed are food and water supplies for distribution during events; printed educational materials tailored to local families, covering hurricane readiness and recovery; and disaster preparedness kits for free raffles, containing flashlights, first-aid kits, battery powered radios, whistles, and hygiene items. These resources will be deployed to engage, educate, and equip the community, ensuring families are informed and prepared before disaster strikes.
Are there any known or anticipated barriers to installing or using this item at your agency (e.g., space limitations, permitting requirements, or code compliance)?	There are no known barriers to installing and using these items at our agency. All distribution and engagement activities will be conducted by trained staff and volunteers, leveraging our existing infrastructure and mobile Canteen to ensure smooth execution.
In detail, how will this item assist the North Port community?	This initiative will provide direct and meaningful support to residents of North Port, Venice, and surrounding Sarasota County communities. By distributing food and water through our mobile Canteen, we will increase access to essential resources, particularly for vulnerable populations, while reinforcing our role as trusted provider of disaster response services. Educational materials will empower families with knowledge about hurricane preparedness and recovery, while raffled disaster kits will incentivize participation and provide critical tools for emergency situations. These efforts reduce panic, improve household readiness, and foster a proactive mindset toward disaster resilience. By focusing on education, supplies, and engagement, we foster a culture of readiness that will strengthen resilience and ensure that North Port area families are better prepared for hurricane season.
Please describe the expected impact:	By delivering essential supplies and educational resources directly to residents through our mobile Canteen at various community events, we will: • Increase Awareness and Knowledge: Families will gain practical, localized information on how to prepare for and respond to hurricanes, reducing confusion and misinformation during critical times. • Improve Access to Emergency Resources: Vulnerable populations, including low-income families and seniors, will receive food, water, and disaster kits that they may otherwise struggle to obtain. • Strengthen Community Engagement: Interactive learning and raffled preparedness kits will encourage participation, foster a sense of community, and make disaster readiness approachable. • Establish a Trusted Presence: Our mobile Canteen will serve as a visible and reliable source of support, reinforcing trust in disaster response services and building long-term relationships with the community. Overall, this project will foster a culture of preparedness, empower residents with the tools and knowledge they need, and contribute to a safer, more resilient North Port area.
Please describe what data or statistics will be utilized to measure the impact:	To evaluate our effectiveness and reach, we will collect and analyze data that measures event attendance metrics and resource distribution totals, as well as engagement indicators through staff and volunteer interactions and social media.
Is your impact reliant on a partnership with an external agency?	While we collaborate with local municipalities and organizations through the Community Organizations Active in Disaster (COAD) network, our impact is not dependent on these external agencies. These partners

primarily serve as hosts for the events we attend. We plan to participate in at least five local hurricane preparedness events – one in North Port, two in Venice, one in Sarasota County, and one in the Newtown community. At each event, our mobile Canteen will operate independently to distribute supplies, provide educational materials, and engage families in preparedness activities. Our trained staff and volunteers manage all planning, ensuring that our outreach and impact remain consistent regardless of the hosting agency.

Strategic Pillars

RE: IRS FORMS 990 – September 30, 2023

Dear Lt. Colonel Matthews,

Enclosed is a copy of the IRS Form 990, Pages 1,7,8,9,10,11, and 12 for the Sarasota Area Command. The numbers were obtained from your latest CPA audited consolidated financial statements for the fiscal year ending September 30, 2023.

Our Territorial Headquarters has instructed that these pages only are to be issued to comply with CFC Requirements.

Please remember that The Salvation Army is exempt from filing this form with the IRS. As such, it should only be issued to the appropriate funding source (United Way), which requires its completion for application purposes.

Also, please be advised that your combined administrative and fundraising expenses taken as a percentage of total expenses was 9.88%. Funding sources begin to view us in an unfavorable manner when the ratio for the combined administrative and fundraising expenses approach 25% or more.

After you have had a chance to review this form, please contact me if you have any questions or concerns.

Blessings!
