

Six Month Impact Statement

Define your non-profits missions/goals?

Our mission is to provide a daily healthy, quality, fresh meals to the displaced, under employed, and fixed income residents of the community

Indicators or methods used to measure impact?

Meal Tally

In the months since receiving the in-kind donation of equipment we have be able to serve in excess of 1,807 meals to the targeted residents of the community... Our food waste has decreased while daily attendance has increased
