1748 Research - Live Local Act - Temporary Moratorium for Affordable Housing on Commercial Property

Status:	Completed	Description: At the September 5, 2023 workshop, the Commission unanimously approved the following consensus: Direct the City Attorney to review the legality of issuing a moratorium for a six-month period for affordable housing on commercial property in the City of North Port – passed 4-0 This consensus occurred during discussion of Legistar Item No. 23-1281 re: legislative priorities Last Status update: 26 Oct 2023 I learned today from Commissioner McDowell that City of Doral settled a claim related to their moratorium. From docs forwarded by FLC, it appears that the City settled an informal dispute after receiving an attorney's letter - the developer had an application on file prior to the effective date of Live Local. MRT spoke with the City Attorney in Sept; there was no mention of this, likely because it was a pending claim.	Date received: 05 Sep 2023
