Except as otherwise provided, all board members must reside in the city as least six months prior to appointment. Residency must be maintained throughout the term of office. Failure to maintain consistent residency within the city will result in automatic termination of the board appointment. One nonresident may serve as a voting member on each board, provided that the person has owned real property in the city for at least one year prior to the date of appointment. Ownership must be maintained throughout the term of office and will be determined by reviewing the Sarasota County Property Appraiser's records. Youth members must be at least 14 years-old and in high school. Board members may serve on only one board, with the exception of ad hoc, task force, or special committees appointed by the city commission.

Yes No

INTRODUCTION

I am a husband, father, grandfather, son, business-leader, community volunteer, fitness enthusiast, and student; committed to continuously improving myself along with those individuals with whom I associate.

WORK EXPERIENCE

Facilitator, Wisdom-Sharing Groups - Apr 2014 – Current

I currently successfully lead multiple wisdom sharing groups for two subsets of healthcare professionals. Physicians make up 95% of my group time and practice administrators comprise 5%.

Guided by our agreed upon ground rules, the groups discuss their common challenges and either inquire about other's solutions or share details of their experience-tested and proven solutions. Our groups are energetic forums in which we frequently delve into sensitive areas with empathy, and encouragement while ensuring frank-talk, safety, and confidentiality. My role has been to probe deeper as may be required, keep the discussion on-track, ensure there is broad engagement amongst the members, and assist in summarizing structure of individual action plans as is sometimes necessary.

Director of Revenue Cycle Management and Corporate Development

Agile Global Health, a Sophia Health Systems Company - May 2016 – May 2023

I was responsible for building and managing the team that drives the RCM processes through our proprietary software. Our team is decentralized and dispersed across the globe with teams in the US, Kenya, Kurdistan and India. Additionally, in my development work I pursued funding for our expansion; identifying and qualifying prospective investors, crafting and presenting our early-stage investment opportunity to potential partners.

Healthcare Practice Senior Leadership roles

For +25 years I have successfully managed specialty multi-location medical practices and sub-specialty surgical groups in three markets on the east coast of the US, as well as an international healthcare startup.

Civic and Community activities - I have served as a Board member and/or officer of the following:

- A prep school's new Fitness Center and a Youth Travel Soccer Club (VA),
- Three different Rotary Clubs (VA, DE, and NC),
- Medical Management Professional Societies (Orthopedics, Urology, and Medical Practice Mgmt.)

Parks & Recreation Advisory Board

Board Details

- (a) The environmental advisory board shall serve as an information resource to and advise the city commission on ways to protect, conserve, enhance and raise public awareness of the city's natural and environmental resources, its wildlife habitat, its flora and fauna, and on safeguarding environmental quality for the future.
- (b) The environmental advisory board shall:
- (1) Advise the city commission on matters pertaining to preserving and promoting clean air and water quality.
 - (2) Advise the city commission on matters pertaining to preserving and promoting wildlife and habitat protection.
 - (3) Advise the city commission on state and federal environmental regulations that may impact the city.
 - (4) Analyze and consider environmental concerns raised by citizens.
 - (5) Identify educational and outreach community opportunities related to preserving and protecting the environment and wildlife habitat.
 - (6) Research and recommend grants and incentives related to preserving and protecting the environment and wildlife habitat.
 - (7) Advise the city commission on matters pertaining to tree planting and care, landscaping, beautification of public road rights-of-way and public places within the city, grant opportunities, and the availability of special programs to assist the public.
 - (8) Perform other duties relating to preserving and protecting the environment, wildlife habitat, trees, landscaping, and beautification of public places as the city commission may from time-to-time direct.
