TO CREATE SECTION 42-27; PROVIDING FOR FINDINGS; PROVIDING  
FOR CONFLICTS; PROVIDING FOR SEVERABILITY; PROVIDING FOR  
CODIFICATION; AND PROVIDING AN EFFECTIVE DATE.**

#### **1. Summary of the proposed ordinance**

The proposed ordinance would amend Chapter 42 of the Code of the City of North Port, Florida, as follows:

- Creates a new section (Section 42-27) enabling the City to levy a non-ad valorem assessment against lots for code enforcement liens that are not timely paid for the actual cost of abatement for hazardous trees, excessive growth of grass and nuisance weeds, and accumulation of debris;
- Provides the process by which non-ad valorem assessments will be levied.

Adoption of the proposed amendment will expand the methods by which the City may collect unpaid Code Enforcement liens to recover actual costs to the City for abatement of certain nuisance violations. The ability to levy non-ad valorem assessments would reduce the burden on the taxpayers by more efficiently and effectively recovering expenses from property owners with outstanding nuisance abatement liens.
