Bill Kruse, Vice President (RT New York State Park/Parkway PD)

Kevin Dunleavy, Treasurer (RT. NYPD)

P.O. Box 494736 / Port Charlotte, FL 33949-4736

To whom it may concern.

We are a group of retired Law enforcement officers from local, city, state, and federal agencies across the US, who have settled in SWF.

We are a 501(c)(3), organization. Our primary function is the vesting of Police K-9's, but we have branched out to also offer the Roca Bite Training suit as well as the Ace Watchdog Temperature Alarm Deployment System.

We realize the importance of K-9's in today's policing, and the dangers involved to them, much like the Officers themselves. They need to be afforded all available protection. We offer these items at no charge to law enforcement agencies. Since 2009, we have vested 70 K-9's in 17 jurisdictions within SWF and as of May 28th,2024 we supplied the Charlotte County Sheriff's K9 unit with a Roca Bite Training Suit.

April,2024 members of our organization met with Chief Garrison and DC. Morales along with the members of the North Port K9 unit and discussed their current needs. It was decided at this time a Roca Bite suit was needed most for the continued training of the K9s. Our rank and file decided to supply this much needed suit at no cost to the department. We can do this due to generous donations from our citizens and local Florida businesses. It is our pleasure to assist our community's law enforcement.

All we ask in return is a little publicity, in the form of a presentation, with our Organization, upon receipt of the K-9 Roka Bite suit. This helps us to increase donations and continue our mission.

Please have your PIO, or anyone else from your Office contact me direct for any additional information or with questions.

Fraternally.

Michael Greenfeder. 908-914-1299 mgreenfeder@networkops.com
