**Policy 4.4: Provide adequate access management controls to limit the proliferation of commercial and residential driveways along arterial and collector roadways.**

# Comprehensive Plan

## Chapter 8

### Housing Element

Goal 1: To promote the preservation and development of high-quality, balanced, and diverse housing options for persons of all income levels throughout the City of North Port.

Objective 1: To provide a variety of housing types and affordability levels to accommodate the present and future housing needs of North Port Residents

Policy 1.3: The City shall continue to encourage private sector efforts through the provision of incentives in the Unified Land Development Code to construct housing alternatives to the single family detached dwelling unit.

# Comprehensive Plan

## Chapter 8

### Housing Element

Policy 1.7: Accommodate the production of a diversity of type and price of housing through the land use and zoning process to encourage a broad range of housing opportunities, including single/multi-family, owner/rental, and permanent/seasonal, to meet the community's residential and economic needs.

Policy 1.9: Consistent with the Future Land Use Element and the Capital Improvement Element, housing should be located within areas where supporting infrastructure is available or planned including public transit, schools, parks, emergency services, hurricane shelters and utilities.

Policy 6.1: Ensure a compatible relationship between new housing and circulation patterns and encourage pedestrian and bicycle interconnectivity and transit-friendly communities in order to minimize traffic impacts and promote healthy lifestyles.

# Comprehensive Plan

## Chapter 11

### Economic Development Element

Goal 5: Achieve an economically stable community with a superior quality of life.

Objective 5.1: The City encourages the full utilization by businesses and industries of the economic development enhancement programs implemented by the Legislature for the purpose of the development and expansion of permanent job opportunities, especially for the economically disadvantaged, brownfield designations, tax incentives, community development corporations, and other programs designed to enhance economic and employment opportunities.

# Comprehensive Plan

## Chapter 11

### Economic Development Element

Policy 5.1.1: Expand urban, sub-urban and neighborhood infill development and redevelopment housing options that support the workforce by planning for development near employment and transportation centers.

Policy 5.1.2: Expand housing options that support the local workforce by planning for development near employment and transportation centers.

Policy 5.1.3: Promote policies and activities that support the quality of life of our targeted workforce.

Policy 5.1.5: Attract young professionals by supporting urban, sub-urban, and neighborhood infill development and redevelopment as the city evolves and grows with new industries and new residents.
