I am writing to express my interest in serving on the City of North Port's Charter Review Advisory Board. I believe this position is an important opportunity to contribute to the continued growth, transparency, and accountability of our city government. I previously served on the Citizens Economic Development Advisory Board (CEDAB), and while I was committed to that role, I was removed due to attendance issues stemming from a serious car accident that impacted my mobility and transportation for a period of time. I am pleased to share that my recovery is complete, my transportation situation is stable, and I am now fully able to commit to the responsibilities of board service. As a lifelong North Port resident deeply engaged in our community, I bring a strong understanding of local issues, a dedication to fiscal responsibility, and a passion for preserving the values that make our city unique. I am confident that my perspective and work ethic will add value to the Charter Review Advisory Board's important mission of reviewing and recommending changes to the City Charter. I would be honored to serve and help ensure our charter continues to reflect the needs and vision of North Port's residents. Thank you for considering my application.
