Around the 5:40 mark Mayor suggested (consensus?) we use the same format and process we used at the workshop, for the zoning map and land uses in an upcoming workshop or two. We went “down line” in a consensus seeking format. The “consensus” wasn’t captured in the minutes as a consensus.

It is not reflected in the minutes when the City Manager was replaced by ACM Yarborough (5:47 mark is the first time ACM Yarborough appears on screen)
