

## GREENEST CITIZEN AWARD

THE CITY OF NORTH PORT IS PROUD TO PRESENT THIS ANNUAL AWARD TO

# Alice White

Everyone knows Alice White as North Port's Chief Tree Advocate. She has been the guiding force behind People for Trees since 1997. Through this organization, hundreds of trees have been planted at schools, the public library, public gardens and along streets for the purpose of creating tree canopies. Alice has instructed hundreds of children to plant butterfly gardens and, more importantly, to get outside and learn, observe, appreciate and protect our natural environment. Thank you, and congratulations for being the City's "Greenest Citizen"...again!
