

ENVIRONMENTAL ADVISORY BOARD

ENVIRONMENTAL IDEALS

- The life of a plant or animal is affected by many things in its surroundings, or environment: the air, water, climate, and the living things in the area.
- Our responsibility is to safeguard these precious resources and there are many things we can do to preserve our local ecosystem.

ENVIRONMENTAL BOARD OBJECTIVES

- To encourage the protection, conservation, and enhancement of native habitats and natural communities through local outreach and educational venues.
- To encourage the protection of the City's water resources, delivery and availability.
- To encourage the protection, conservation, and sustainability of the City's tree canopy.

MEETS 1st MONDAY 5:30 P.M.
