1. A separate Designated Project Aggregate Limit applies to each Designated Project, and that limit is equal to the amount of the Designated Project Aggregate Limit shown in the Schedule above.
 2. The Designated Project Aggregate Limit is the most we will pay for the sum of damages under COVERAGE A, except damages because of “bodily injury” or “property damage” included in the “products-completed operations hazard”, and for medical expenses under COVERAGE C, which damages and medical expenses can be attributed only to ongoing operations at a single Designated Project, regardless of the number of:
