Dear Sir:

This is in response to your request for information concerning your organization's exemption from Federal income tax.

As an instrumentality of a governmental unit, your organization is not subject to Federal income tax under the provisions of Section 115(1) of the Internal Revenue Code of 1954, which states in part:

"Gross income does not include income derived from the exercise of any essential governmental function and accruing to a State or any political subdivision thereof ..."

Because your organization is an instrumentality of a governmental unit, its income is not taxable as explained above. Contributions to instrumentalities are deductible under Section 170(c)(1) of the Code.
