Why do you desire to serve on the above Board/Committee? Please list any relative experience, if applicable.

I desire to serve on North Port's Environmental board to improve the conditions of our city's landscape. I believe that North Port has beautiful plants and wildlife, and I want to contribute to preserving and promoting it. My interest in this committee stems from the AICE Environmental Management class I took my sophomore year at North Port High School. This course taught me the importance of sustainability and preserving the environment. My older sister, a freshman at Florida State University, has also inspired me to apply for this position as she majors in Environmental Management and policy.
