Additional Narrative

Grant funding will be utilized to fund consultant fees for subject matter experts including a culturally competent licensed mental health provider and a culturally competent licensed clinical psychologist. Independent consultant rates will be approved based on the salary a consultant receives from his or her primary employer, as applicable, up to \$650 per day (or \$81.25 per hour) and will not include fringe benefits. Both consultants will be the non-staff members of the North Port Police Wellness and Resiliency committee, serve as subject matter experts, aid in providing training to the department, and be available to the department and its member as needed for crises that may arise. Funds would also be used to pay a pre-determined hourly fee for services rendered and time worked on this project. Having access to a consultant will increase the success of this program overall for the department and officers it serves.

Grant funding will be used to send two (2) non-staff North Port Police Wellness and Resiliency committee members to the Concerns of Police Survivors (C.O.P.S.) National Conference on Law Enforcement Wellness and Trauma annually. Because this grant award covers a two-year period, attendance at two annual events is calculated. Other Direct Costs

Instructions

List items (e.g., rent, reproduction, telephone, janitorial or security services, and investigative or confidential funds) by type and the basis of the computation. For example, provide the square footage and the cost per square foot for rent, or provide a monthly rental cost and how many months to rent. All requested information must be included in the budget detail worksheet and budget narrative.

Other Costs Total Cost							
			\$40,000				
Additional Narrative							
Grant funding will be used to pay for up to 200 office visits with a licensed mental health provider at a rate of up to \$200 per visit for police officers and family members over a two-year period. Because culturally competent mental health providers can be difficult to find, many not being covered by insurance or accepting EAP funding, officers have reported paying out of pocket fees to receive needed services. Providing funding to cover said office visits will eliminate financial barriers for officers and/or family members who may opt not to receive services and/or treatment if a fee is attached during their most critical time of need. If possible, to allow officers an open selection of mental health providers to choose from, this item should not be done in the form of a contracted service as that could create an unnecessary barrier for accessing care. Overall, being able to access culturally competent care without the worry of financial strain will positively impact officer wellness and resiliency.							

Indirect Costs

Instructions

Indirect costs are allowed only if: a) the applicant has a current, federally approved indirect cost rate; or b) the applicant is eligible to use and elects to use the “de minimis” indirect cost rate described in 2 C.F.R. 200.414(f). (See paragraph D.1.b. in Appendix VII to Part 200—States and Local Government and Indian Tribe Indirect Cost Proposals for a description of entities that may not elect to use the “de minimis” rate.) An applicant with a current, federally approved indirect cost rate must attach copy of the rate approval, (a fully-executed, negotiated agreement). If the applicant does not have an approved rate, one can be requested by contacting the applicant cognizant Federal agency, which will review all documentation and approve a rate for the applicant organization, or if the applicant’s accounting system permits, costs may be allocated in the direct costs categories. (Applicant Indian tribal governments, in particular, should review Appendix VII to Part 200—States and Local Government and Indian Tribe Indirect Cost Proposals regarding submission and documentation of indirect cost proposals.) All requested information must be included in the budget detail worksheet and budget narrative. In order to use the “de minimis” indirect rate an applicant would need to attach written documentation to the application that advises DOJ of both the applicant’s eligibility (to use the “de minimis” rate) and its election. If the applicant elects the de minimis method, costs must be consistently charged as either indirect or direct costs, but may not be double charged or inconsistently charged as both. In addition, if this method is chosen then it must be used consistently for all federal awards until such time as the applicant entity chooses to negotiate a federally approved indirect cost rate.

(6) I assure that the Applicant will assist the Department as necessary (and will require subrecipients and contractors to assist as necessary) with the Department's compliance with section 106 of the National Historic Preservation Act of 1966 (54 U.S.C. § 306108), the Archeological and Historical Preservation Act of 1974 (54 U.S.C. §§ 312501-312508), and the National Environmental Policy Act of 1969 (42 U.S.C. §§ 4321-4335), and 28 C.F.R. Parts 61 (NEPA) and 63 (floodplains and wetlands).

(7) I assure that the Applicant will give the Department and the Government Accountability Office, through any authorized representative, access to, and opportunity to examine, all paper or electronic records related to the award (if any) made by the Department based on the application.

(8) If this application is for an award from the National Institute of Justice or the Bureau of Justice Statistics pursuant to which award funds may be made available (whether by the award directly or by any subaward at any tier) to an institution of higher education (as defined at 34 U.S.C. § 10251(a)(17)), I assure that, if any award funds actually are made available to such an institution, the Applicant will require that, throughout the period of performance--

- a. each such institution comply with any requirements that are imposed on it by the First Amendment to the Constitution of the United States; and
- b. subject to par. a, each such institution comply with its own representations, if any, concerning academic freedom, freedom of inquiry and debate, research independence, and research integrity, at the institution, that are included in promotional materials, in official statements, in formal policies, in applications for grants (including this award application), for accreditation, or for licensing, or in submissions relating to such grants, accreditation, or licensing, or that otherwise are made or disseminated to students, to faculty, or to the general public.

(9) I assure that, if the Applicant is a governmental entity, with respect to the award (if any) made by the Department based on the application--

- a. it will comply with the requirements of the Uniform Relocation Assistance and Real Property Acquisitions Act of 1970 (42 U.S.C. §§ 4601-4655), which govern the treatment of persons displaced as a result of federal and federally-assisted programs; and
- b. it will comply with requirements of 5 U.S.C. §§ 1501-1508 and 7324-7328, which limit certain political activities of State or local government employees whose principal employment is in connection with an activity financed in whole or in part by federal assistance.

(10) If the Applicant applies for and receives an award from the Office of Community Oriented Policing Services (COPS Office), I assure that as required by 34 U.S.C. § 10382(c)(11), it will, to the extent practicable and consistent with applicable law--including, but not limited to, the Indian Self-Determination and Education Assistance Act--seek, recruit, and hire qualified members of racial and ethnic minority groups and qualified women in order to further effective law enforcement by increasing their ranks within the sworn positions, as provided under 34 U.S.C. § 10382(c)(11).

(11) If the Applicant applies for and receives a DOJ award under the STOP School Violence Act program, I assure as required by 34 U.S.C. § 10552(a)(3), that it will maintain and report such data, records, and information (programmatic and financial) as DOJ may reasonably require.

I acknowledge that a materially false, fictitious, or fraudulent statement (or concealment or omission of a material fact) in this certification, or in the application that it supports, may be the subject of criminal prosecution (including under 18 U.S.C. §§ 1001 and/or 1621, and/or 34 U.S.C. §§ 10271-10273), and also may subject me and the Applicant to civil penalties and administrative remedies for false claims or otherwise (including under 31 U.S.C. §§ 3729-3730 and 3801-3812). DEBARMENT, SUSPENSION, AND OTHER RESPONSIBILITY MATTERS, AND OTHER RELATED REQUIREMENTS, AND ENFORCEMENT AND COMMUNITY POLICING

Applicants should refer to the regulations and other requirements cited below to determine the certification to which they are required to attest. Applicants should also review the instructions for certification included in the regulations or other cited requirements before completing this form. The certifications shall be treated as a material representation of fact upon which reliance will be placed when the U.S. Department of Justice ("Department") determines to award the covered transaction, grant, or cooperative agreement.

1. LOBBYING

As required by 31 U.S.C. § 1352, as implemented by 28 C.F.R. Part 69, the Applicant certifies and assures (to the extent applicable) the following:

- (a) No Federal appropriated funds have been paid or will be paid, by or on behalf of the Applicant, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the making of any Federal grant, the entering into of any cooperative agreement, or the extension, continuation, renewal, amendment, or modification of any Federal grant or cooperative agreement;
- (b) If the Applicant's request for Federal funds is in excess of \$100,000, and any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a member of Congress, an officer or employee of Congress, or an employee of a member of Congress in connection with this Federal grant or cooperative agreement, the Applicant shall complete and submit Standard Form - LLL, "Disclosure of Lobbying Activities" in accordance with its (and any DOJ awarding agency's) instructions; and
- (c) The Applicant shall require that the language of this certification be included in the award documents for all subgrants and procurement contracts (and their subcontracts) funded with Federal award funds and shall ensure that any certifications or lobbying disclosures required of recipients of such subgrants and procurement contracts (or their subcontractors) are made and filed in accordance with 31 U.S.C. § 1352.

2. DEBARMENT, SUSPENSION, AND OTHER RESPONSIBILITY MATTERS

A. Pursuant to Department regulations on nonprocurement debarment and suspension implemented at 2 C.F.R. Part 2867, and to other related requirements, the Applicant certifies, with respect to prospective participants in a primary tier "covered transaction," as defined at 2 C.F.R. § 2867.20(a), that neither it nor any of its principals--

- (c) is presently indicted for or otherwise criminally or civilly charged by a governmental entity (Federal, State, tribal, or local) with commission of any of the offenses enumerated in paragraph (b) of this certification; and/or
- (d) has within a three-year period preceding this application had one or more public transactions (Federal, State, tribal, or local) terminated for cause or default.

B. Where the Applicant is unable to certify to any of the statements in this certification, it shall attach an explanation to this application. Where the Applicant or any of its principals was convicted, within a three-year period preceding this application, of a felony criminal violation under any Federal law, the Applicant also must disclose such felony criminal conviction in writing to the Department (for OJP Applicants, to OJP at Ojpcompliancereporting@usdoj.gov; for OVW Applicants, to OVW at OVW.GFMD@usdoj.gov; or for COPS Applicants, to COPS at AskCOPSRC@usdoj.gov), unless such disclosure has already been made.

3. FEDERAL TAXES

A. If the Applicant is a corporation, it certifies either that (1) the corporation has no unpaid Federal tax liability that has been assessed, for which all judicial and administrative remedies have been exhausted or have lapsed, that is not being paid in a timely manner pursuant to an agreement with the authority responsible for collecting the tax liability, or (2) the corporation has provided written notice of such an unpaid tax liability (or liabilities) to the Department (for OJP Applicants, to OJP at Ojpcompliancereporting@usdoj.gov; for OVW Applicants, to OVW at OVW.GFMD@usdoj.gov; or for COPS Applicants, to COPS at AskCOPSRC@usdoj.gov).

B. Where the Applicant is unable to certify to any of the statements in this certification, it shall attach an explanation to this application.

A. The Applicant certifies and assures that it will, or will continue to, provide a drug-free workplace by--

If this application is for a discretionary award pursuant to which award funds may be made available (whether by the award directly or by any subaward at any tier) to a State, local, college, or university law enforcement agency, the Applicant certifies that any such law enforcement agency to which funds will be made available has been certified by an approved independent credentialing body or has started the certification process. To become certified, a law enforcement agency must meet two mandatory conditions:

- (a) the agency's use of force policies adhere to all applicable federal, State, and local laws; and
- (b) the agency's use of force policies prohibit chokeholds except in situations where use of deadly force is allowed by law.

For detailed information on this certification requirement, see <https://cops.usdoj.gov/SafePolicingEO>.

The Applicant acknowledges that compliance with this safe policing certification requirement does not ensure compliance with federal, state, or local law, and that such certification shall not constitute a defense in any federal lawsuit. Nothing in the safe policing certification process or safe policing requirement is intended to be (or may be) used by third parties to create liability by or against the United States or any of its officials, officers, agents or employees under any federal law. Neither the safe policing certification process nor the safe policing certification requirement is intended to (or does) confer any right on any third-person or entity seeking relief against the United States or any officer or employee thereof. No person or entity is intended to be (or is) a third-party beneficiary of the safe policing certification process, or, with respect to the safe policing certification requirement, such a beneficiary for purposes of any civil, criminal, or administrative action.

6. COORDINATION REQUIRED UNDER PUBLIC SAFETY AND COMMUNITY POLICING PROGRAMS

As required by the Public Safety Partnership and Community Policing Act of 1994, at 34 U.S.C. § 10382(c)(5), if this application is for a COPS award, the Applicant certifies that there has been appropriate coordination with all agencies that may be affected by its award. Affected agencies may include, among others, Offices of the United States Attorneys; State, local, or tribal prosecutors; or correctional agencies.

I acknowledge that a materially false, fictitious, or fraudulent statement (or concealment or omission of a material fact) in this certification, or in the application that it supports, may be the subject of criminal prosecution (including under 18 U.S.C. §§ 1001 and/or 1621, and/or 34 U.S.C. §§ 10271-10273), and also may subject me and the Applicant to civil penalties and administrative remedies for false claims or otherwise (including under 31 U.S.C. §§ 3729-3730 and 3801-3812). I also acknowledge that the Department's awards, including certifications provided in connection with such awards, are subject to review by the Department, including by its Office of the Inspector General.

Be advised that as a general rule, COPS Office funding may not be used for the same item or service funded through another funding source. However, leveraging multiple funding sources in a complementary manner to implement comprehensive programs or projects is encouraged and is not seen as inappropriate. To aid the COPS Office in the prevention of awarding potentially duplicative funding, please indicate whether your agency has a pending application or an active award with any other federal funding source (e.g., direct federal funding or indirect federal funding through state sub-awarded federal funds) which supports the same or similar activities or services as being proposed in this COPS Office application.

Do you have any current, active non-COPS Office award with any other federal funding source (e.g., direct federal funding or indirect federal funding through state subawarded federal funds) that supports the same or similar activities or services as being proposed in this COPS Office application?

No

If Yes, for each potentially duplicative non-COPS Office award, provide the following detailed information: name of federal awarding agency, or state agency for subawarded federal funding; award number; program name; award start and end dates; award amount; and description of how this project differs from the application for COPS office funding.

If you are requesting COPS Office funds to operate a single agency database (or other unrelated forms of technology) and will not share criminal intelligence data with other jurisdictions, 28 C.F.R. Part 23 does not apply. Please review the CPA Resource Guide for additional information. Please check one of the following, as applicable to your agency's intended use of COPS Office funds:

Law Enforcement and Community Policing Strategy

Instructions: The following is the COPS Office definition of community policing that emphasizes the primary components of community partnerships, organizational transformation, and problem solving: Community policing is a philosophy that promotes organizational strategies that support the systematic use of partnerships and problem solving techniques to proactively address the immediate conditions that give rise to public safety issues such as crime, social disorder, and fear of crime. Please refer to the COPS Office website (<https://cops.usdoj.gov/RLC/ric.php?page=detail&id=COPS-P157>) for further information regarding this definition and its sub-elements. Please answer the following questions regarding your community support and impact on the jurisdiction.

To what extent is there community support in your jurisdiction for implementing the proposed award activities?

Moderate support

If awarded, to what extent will the award activities impact the other components of the criminal justice system in your jurisdiction?

Potentially increased impact

Explain how the proposed activities address a specific public safety need. (max 250 words)

Currently, the average lifespan for an adult male in the United States is 76 years. Research provided at multiple conferences supported by DOJ (COPS, IACP) shows the average lifespan for a career police officer is 17-23 years shorter than that of the average male. This data is alarming and demonstrates the necessity to implement a holistic wellness program to ensure police officers have access to culturally competent mental health care as needed. By investing in officer wellness program(s), the North Port Police Department will experience lower attrition rates due to reduced burnout from providing its officers with effective and holistic support needed to lead a long, healthy life as a law enforcement officer. In turn, a police force comprised of healthy law enforcement officers will be able to best provide the citizens of North Port with appropriate levels of public safety for years to come.

Explain how the proposed activities will be utilized to reorient any affected law enforcement agency's mission toward community-oriented policing or enhance its involvement in or commitment to community-oriented policing. (max 250 words)

It is the mission of all law enforcement agencies to serve the citizens of their community. Burnout, cumulative stress, shiftwork, and altered sleep patterns impact the behavior of officers to include the performance of their duties and relationships at home. Providing comprehensive wellness resources to the members of the agency is multifaceted. First, the officer learns to manage their well-being, whether it be emotional, physical, financial, etc. It has been shown that when an officer is having continued issues in any of these areas, their ability to carry out their duties effectively becomes compromised. Second, the relationship between police officers and citizens is the cornerstone to the success of any law enforcement agency. It is imperative this relationship is developed and maintained through partnerships and programs involving both citizens and the officers within that community. Like strained family relationships, when the well-being of an agency has been neglected, the expected result should be a strained relationship with the members of the community. Through the implementation of a holistic wellness program, the North Port Police Department believes we can strengthen our current agency community policing initiatives by developing the officer's overall wellness.

Identify any current governmental, community or agency initiatives that complement or will be coordinated with the proposed activities. (max 250 words)

The North Port Police Department is developing a wellness program which involves the entire City of North Port to provide mental and physical wellness programs to all employees. The goal is to partner with culturally competent mental health providers local to the area who can establish long-term relationships with those in need of their services. Short-term solutions such as Employee Assistance Programs (EAP) have proven ineffective as officers are not inclined to use the service due to a lack of trustworthiness. Partnering with community clinicians would allow for a trusting relationship between the officer and provider.

Identify any key community or other stakeholder partnerships (community groups, private and/or public agencies) that will play a role in the implementation of the proposed activities. (max 250 words)

The officers of the North Port Police Department created the North Port Police Officers Association (NPPOA) which is a registered 501(C)3 non-profit in the state of Florida. The NPPOA was established to aid members of the department in times of need. Additionally, the NPPOA engages with the community and supports programs such as Shop-with-a-Cop. The North Port Police Department also has a Chaplaincy Program to provide additional support to officers by leaning on the experience of approved chaplains. Both the NPPOA and the Chaplaincy Program will be integral to the success of the wellness efforts.

Describe the strategy to consult with any community groups and appropriate private and public agencies in the implementation of the proposed activities. (max 250 words)

North Port Police Department has established relationships with a number of mental health practices in the City of North Port. The aforementioned practices are composed of culturally competent clinicians who have years of experience treating first responders. Many officers within the North Port Police Department have sought assistance on their own from these providers and have shared recommendations for services with staff in the department. NPPD would consult said providers for their expertise on how to successfully implement a full-service wellness program that increases officer participation while removing the barriers of insurance and reducing the stigma of accepting mental health services.

Explanation of Need for Financial Assistance

All applicants are required to explain their inability to address the need for this award without federal assistance. Please do so in the space below. [Please limit your response to a maximum of 1,000 characters.]

Currently, wellness efforts include access to an Employee Assistance Program (EAP) provided through our health insurer, a Peer Support Team, a Critical Incident Stress Management Team (CISM), and annual physicals paid for by the North Port Police Department. A limited volunteer team helps support these efforts, but due to limited financial resources, it is difficult to provide adequate training those members. Oftentimes, the members of Peer Support and CISM are the same. The wellness needs of department personnel are quickly outpacing the capabilities of our current efforts.

The City of North Port has grown exponentially in the last decade, forcing officers to answer higher call volumes, which leads to higher rates of cumulative stress. The increased operational tempo of the department has created unnecessary strain on those volunteers providing support to the officers in their times of need.

Finally, the City of North Port, including the North Port Police Department, is still in recovery mode from Hurricane Ian, a devastating major hurricane that delivered a direct hit to our City. The Police Department Headquarters building experienced significant damage from Hurricane Ian, making repairs and temporary fixes a budget priority over ancillary programs. Many officers worked countless hours before, during, and after the storm, providing emergency protective services and public safety duties. Some NPPD officers and administrative staff also experienced personal property damage or total loss from the storm as well, resulting in additional stress for them to manage while providing public safety simultaneously.

Financial assistance would allow for additional resources and training to provide a comprehensive holistic wellness program to benefit the members of the department.

✓ FY24 LEMHWA Grant App Ques

Organizational Readiness

Please describe the current mental health and wellness services your agency provides. (e.g. Regularly scheduled mental health check-ins, On-site counseling, Off-site counseling, Virtual counseling, Debriefing and/or Critical Incident Stress Management (CISM) program, Trained peer counselors, Chaplaincy / Spiritual support, Suicide prevention programming, Mental health awareness training, Mindfulness practice, Quiet room or Other). Note: An answer of no current services available is an acceptable answer. You will not be penalized. The purpose of this question is to understand your agency's starting point. (Max 250 words)

Mental health and wellness at the North Port Police Department is currently guided by our Peer Support and CISM programs. Through our health insurer, Aetna, officers have access to an Employee Assistance Program (EAP) for mental health services, or they can contact a participating clinician utilizing their insurance.

LEMHWA funding may be used for new programming, or to expand on existing mental health and wellness efforts. Please list and describe the specific activities and/or services that your agency would implement or provide if awarded funding. (Max 250 words)

If awarded, grant funding will be used to send four (4) staff and two (2) non-staff committee members of the North Port Police Wellness and Resiliency Program to appropriate annual national conferences focused on officer safety and wellness. This would ensure all committee members are equipped with up-to-date knowledge and current best practices for use in law enforcement wellness programs.

The gap in providing mental health services to law enforcement personnel is overshadowed by the lack of culturally competent clinical providers to address the needs of the officers. If awarded the LEMHWA Grant, North Port Police Department would partner with local mental health experts and ensure each provider has the appropriate training necessary to properly treat law enforcement. To accomplish this goal, untrained providers would be made aware of and encouraged to attend appropriate free training such as those offered by the University of Central Florida through their UCF Restores collaborative or other comparable training opportunities .

There are many mobile wellness applications that engage officers with peer-reviewed instruction and providers. The North Port Police Department is in the process of vetting several of these apps to determine which app would be the best fit for our agency. Ideally, the app selected will provide access to learning modules on mental health, financial well-being, and family support among other topics. Additionally, the app will need to provide access to mental health providers approved by the North Port Police Department. If awarded funding, funds will be utilized to purchase a wellness application (subscription or license) as described above that meets the needs of the police department best.

Funding through the LEMHWA Grant would aid in removing financial barriers associated to accessing mental health services. Grant funds will be utilized to pay for a predetermined number of mental health visits with a licensed clinician in order to remove the financial barrier an officer may experience during a time of need. This would allow officers direct and private access to mental health assistance without worry of how to pay for said services. Additionally, it is be the goal of the North Port Police Department to have a contracted staff clinician and psychologist to support our officers on a continual basis which LEMHWA funds could be used to support.

Project Impact and Deliverables

Will your project service multiple agencies or include regional partnerships?

No

If yes, please list the agencies that will be impacted and/or your regional partnerships. (Max 250 words)

Please estimate the total number of individuals who will be eligible to receive mental health and wellness services after full implementation of this grant. If your project serves multiple agencies or a regional partnership, please include the total number of individuals eligible from all participating agencies.

700

Please enter the total number of employees (sworn and non-sworn) for your agency or in all agencies receiving services (if applicable).

197

Have you received COPS Office LEMHWA funding in either of the last two grant cycles (2022 or 2023)?

No

If yes, please describe your project deliverable(s), specifically those that can be distributed by the COPS Office to the law enforcement field to share knowledge and experience. (e.g., a COPS publication, a Dispatch article, a Beat podcast, Model policies, tools/templates, etc.). Note: This is a new requirement for previously funded LEMHWA grantees. (Max 250 words)

If no, please describe your project deliverable(s) (e.g., number of trainings, number of visits, number of contacts, clinician hours, policy changes, final report, Dispatch article, podcast, templates, written policy, etc.) (Max 250 words)

The North Port Police Wellness and Resiliency Program will provide quarterly training with the department to ensure officers are aware of the program and services available to them. Information on the program will also be provided to staff during their onboarding process, ensuring new hires are aware of and have access to the same services.

A reporting system will be established for officers to make contact with a program administrator when they need assistance. Follow-up would be conducted with each officer on a one-week, one-month, six-month, and one-year interval following a critical incident or after an officer in need has been identified. Strict adherence to confidentiality and state law would be followed by team members.

The Peer Support and CISM Teams will document the number of contacts made with those in need to include sworn, non-sworn, retirees, and their families.

A quarterly report will be generated documenting the number of treatment hours provided by the community clinicians.

The selected wellness application should allow access to meta data which allows program administrators to monitor how frequently the app is being used and what topics are being searched the most. Ideally, a report will be generated quarterly to see where training needs to be focused to address the current wellness trends within the department.

What specific outcomes does your agency expect to accomplish with this funding and how will the project team track or measure them? (e.g. Internal survey(s) of job satisfaction, Internal survey(s) of work-related stress, Community survey(s) of topics such as trust in or satisfaction with the agency, change in rates of use of force, or Other-please describe). (Max 250 words)

The goal of the agency is to reduce officer stress and provide viable means to manage the cumulative stress which develops throughout the course of the career. To quantify the effectiveness of the program, we would analyze Use-of-Force reports for trends and conduct periodic anonymous surveys to gauge use and interest of the wellness program.

Will your agency incorporate an evaluation component to your project?

Yes

If yes, please describe the evaluation component your agency plans to implement. (Max 250 words)

Evaluation of the program would be conducted annually through the use of anonymous surveys and input from an oversight board composed of clinicians and select members of the wellness program.

Management and Implementation

Describe the overall management and implementation plan for the project. This should include the key team members from your agency and any community or stakeholder partnerships (community groups, private and/or public agencies) who will support this project. Please include a detailed description of the responsibilities and role of each team member and partner. Note: A timeline of project deliverables, activities and who will complete the activities, and milestones will need to be uploaded in the "Additional Application Components" section. (Max 500 words)

The North Port Police Wellness and Resiliency Program will be managed by a committee of six (6) individuals. This committee will be composed of two (2) sworn law enforcement officers, two (2) administrators from Human Resources, a Licensed Mental Health Provider, and a Clinical Psychologist. The committee will be responsible for the implementation and overall administration of the program. The program outline is described below:

1. NPPD Wellness Committee:

- This team comprises mental health professionals, law enforcement trainers, and representatives from the police department's leadership.
- Responsibilities include conducting research on best practices for officer mental health, designing the program structure, and creating resources such as training materials and support systems.
- Program evaluation and improvement will be completed through participant feedback, analyzing program data for effectiveness, and making adjustments as necessary.

2. Training and Education Team:

- Comprised of certified trainers, mental health experts from the community, and experienced officers.
- Responsibilities include delivering training sessions on stress management, resilience, trauma-informed care, and recognizing signs of mental health issues.

- Includes a Licensed Mental Health Provider and Clinical Psychologist.
- Responsibilities involve offering individual counseling sessions for officers dealing with stress, trauma, or other mental health issues.
- They conduct mental health assessments, provide referrals to specialized services, and ensure confidentiality and privacy for officers seeking assistance.

5. Mobile Wellness Application:

- Consists of a mobile wellness app chosen and managed by the committee. The app will interface with the user and provide access to mental health providers, education modules, and assessments. The app will only provide peer-reviewed material to ensure clinically acceptable resources are being provided.

6. Leadership and Administrative Support:

- The police department's leadership provides overall support and resources for the program.
- Responsibilities include allocating budgetary resources, promoting program participation, and fostering a culture that prioritizes officer well-being.
- Administrative staff assist with logistical tasks, scheduling training sessions, and maintaining program documentation.

Please describe how you will ensure appropriate confidentiality for participants and service recipients. (Max 250 words)

Florida state law provides requirements to ensure confidentiality for participants seeking assistance in such mental wellness programs. Each team member would be required to sign non-disclosure agreements to hold them accountable for the information in which they will be entrusted. Additionally, all partner clinicians are required to maintain provider-patient confidentiality.

LEMHWA applicants are encouraged to include in their proposed budget, costs associated with attendance to a conference focused on law enforcement mental health and wellness. What mental health and wellness-related regional or national conference(s) do you plan on attending if awarded LEMHWA funding? (Max 250 words)

All committee members of the North Port Wellness and Resiliency Program would attend the following conferences on an annual basis:

1. International Association of Chiefs of Police (IACP) Officer Safety and Wellness Conference
2. Concerns of Police Survivors (C.O.P.S.) National Conference on Law Enforcement Wellness and Trauma

Please describe how these efforts will be sustained once the award ends. (Max 250 words)

Prior to the expiration of the grant, a budget item would be established based on the success of the program to continue in perpetuity. It is the goal of the North Port Police Department to continue its investment in the well-being of its officers and their families.

North Port Police Wellness and Resiliency Program Budget Narrative

Total Program Request - \$200,000.00

Budget Category – Travel – Total Cost: \$35,520

Grant funding will be used to send four (4) staff North Port Police Wellness and Resiliency committee members to the Concerns of Police Survivors (C.O.P.S.) National Conference on Law Enforcement Wellness and Trauma annually. Because four (4) staff will be attending two (2) annual conferences during the life of this grant, a total cost of \$15,680 has been included with this request. Travel cost includes conference registration fees at \$350 each staff member, meals at \$70/day/staff member for 3 days, round-trip airfare at \$600/staff member attending the conference, lodging at \$200/night/staff member for 3 nights, and incidentals of \$200/staff member for luggage, parking, etc., totaling \$1,960 per staff member attending annually. Because this grant award covers a two-year period, attendance at two annual events is calculated, totaling \$3,920 per staff member over the life of the grant. Attendance at the National Conference will allow the North Port Police Wellness and Resiliency committee members to gain knowledge of current trends in officer wellness programs and stay current with best practices for supporting officer wellness.

Grant funding will be used to send four (4) staff North Port Police Wellness and Resiliency committee members to the International Association of Chiefs of Police (IACP) Officer Safety and Wellness Conference annually. Travel cost includes conference registration fees at \$600 each staff member, meals at \$70/day/staff member for 4 days, round-trip airfare at \$600/staff member attending the conference, lodging at \$200/night/staff member for 4 nights, and incidentals of \$200/staff member for luggage, parking, etc., totaling \$2,480 per staff member attending annually. Because this grant award covers a two-year period, attendance at two annual events is calculated, totaling \$4,960 per staff member over the life of the grant. Attendance at the Officer Safety and Wellness Conference will allow the North Port Police Wellness and Resiliency committee members to gain knowledge of current trends in officer wellness programs and stay current with best practices for supporting officer wellness.

Budget Category – Equipment – Total Cost: \$60,000

Grant funds will be utilized to purchase a vetted wellness application (subscription-based or license-based software) for a minimum of two (2) years that best meets the needs of the police department and its officers. The estimated cost of such software is \$30,000 annually, totaling \$60,000 for a two-year subscription or license. Ideally, the selected app will provide users access to learning modules on mental health, financial well-being, and family support among other topics. Additionally, the app will need to provide access to mental health providers approved by the North Port Police Wellness and Resiliency Program committee. Overall, providing access to a holistic wellness application specific to law enforcement officers and the unique challenges they face will positively impact officer wellness and resiliency.

Budget Category – Procurement Contracts – Total Cost: \$46,720

Grant funding will be utilized to fund consultant fees for subject matter experts including a culturally competent licensed mental health provider and a culturally competent licensed clinical psychologist. Independent consultant rates will be approved based on the salary a consultant receives from his or her primary employer, as applicable, up to \$650 per day (or \$81.25 per hour) and will not include fringe benefits. Two (2) consultants are listed in the budget request at \$23,360 each, totaling \$46,720 combined over a two-year period. Both consultants will be the non-staff members of the North Port Police Wellness and Resiliency committee, serve as subject matter experts, aid in providing training to the department, and be available to the department and its members as needed for crises that may arise. Funds would also be used to pay a pre-determined hourly fee for services rendered and time worked on this project. Having access to a consultant will increase the success of this program overall for the department and officers it serves.

Budget Category – Consultant Travel – Total Cost: \$17,760

Grant funding will be used to send two (2) non-staff North Port Police Wellness and Resiliency committee members to the Concerns of Police Survivors (C.O.P.S.) National Conference on Law Enforcement Wellness and Trauma annually. Because two (2) consultants will be attending two (2) annual conferences during the life of this grant, a total cost of \$7,840 has been included with this request. Travel cost includes conference registration fees at \$350 each, meals at \$70/day/consultant for 3 days, round-trip airfare at \$600/consultant attending the conference, lodging at \$200/night/consultant for 3 nights, and incidentals of \$200/consultant for luggage, parking, etc., totaling \$1,960 per staff member attending annually. Because this grant award covers a two-year period, attendance at two annual events is calculated, totaling \$3,920 per staff member over the life of the grant. Attendance at the National Conference will allow the North Port Police Wellness and Resiliency committee members to gain knowledge of current trends in officer wellness programs and stay current with best practices for supporting officer wellness.

Grant funding will be used to send two (2) non-staff staff North Port Police Wellness and Resiliency committee members to the International Association of Chiefs of Police (IACP) Officer Safety and Wellness Conference annually. Because two (2) consultants will be attending two (2) annual conferences during the life of this grant, a total cost of \$9,920 has been included with this request. Travel cost includes conference registration fees at \$600 each, meals at \$70/day/consultant for 4 days, round-trip airfare at \$600/consultant attending the conference, lodging at \$200/night/consultant for 4 nights, and incidentals of \$200/consultant for luggage, parking, etc., totaling \$2,480 per consultant attending annually. Because this grant award covers a two-year period, attendance at two annual events is calculated, totaling \$4,960 per staff member over the life of the grant. Attendance at the Officer Safety and Wellness Conference will allow the North Port Police Wellness and Resiliency committee members to gain knowledge of current trends in officer wellness programs and stay current with best practices for supporting officer wellness.

Budget Category – Other Costs – Total Cost: \$40,000

Grant funding will be used to pay for up to 200 office visits with a licensed mental health provider at a rate of up to \$200 per visit for police officers and family members over a two-year period, totaling the request of \$40,000. Because culturally competent mental health providers can be difficult to find, many not being covered by insurance or accepting EAP funding, officers have reported paying out of pocket fees to receive needed services. Providing funding to cover said office visits will eliminate financial barriers for officers and/or family members who may opt not to receive services and/or treatment if a fee is attached during their most critical time of need. If possible, to allow officers an open selection of mental health providers to choose from, this item should not be done in the form of a contracted service as that could create an unnecessary barrier for accessing care. Overall, being able to access culturally competent care without the worry of financial strain will positively impact officer wellness and resiliency.
