Sir,
Ms. Berhow has made contact with Department of Public Works Fleet Management Manager, Ken Rappuhn, regarding the NPHS Project Graduation vehicle donation. At this time there has not been a suitable vehicle identified, but be assured that staff will continue to evaluate all surplus vehicles in an effort to fulfill this request.

Good afternoon, Commissioners.

Sharon and I are just checking up on the progress of the car donation, if NPHS Project Graduation is still able to benefit from that donation.

We sure appreciate anything that you can help the kids with, as Hurricane Ian has made this year's planning extremely challenging.

Thank you so much for the consideration.
