

Twelve Month Impact Statement

Define your non-profits missions/goals?

Big Brothers Big Sisters of the Sun Coast's mission is to create and support one-to-one mentoring relationships that ignite the power and promise of youth. Its vision is for all youth to achieve their full potential.

Indicators or methods used to measure impact?

We are thrilled to report that all 7 of the at-risk North Port students that NP2 supported achieved timely grade level promotion or high school graduation! Thanks to the benefit of the technology access your grant provided, combined with our professionally supported one-to-one mentoring services, each of these students is achieving academically despite the many personal/familial challenges they face.
