Description	Project Implementation Schedule
This project will design and construct a 5-foot wide sidewalk (6-foot back of curb) on DeLeon Drive (US 41 to DeLeon Drive) and Ortiz Boulevard (DeLeon Drive to US 41). This project also includes signage and pavement markings to facilitate safe pedestrian crossings.	FY25-FY29
Rationale	
This segment of the sidewalk is identified in the County's Sidewalk Prioritization plan. The sidewalk projects included in the Prioritization plan are consistent with the policies of the Transportation Objective 1.3 stating that the County shall provide for a safe, convenient, and energy-efficient multi-modal transportation system and policies of the Transportation Objective 1.4 stating that the County shall enable County residents the opportunity to live and travel using an integrated, intermodal transportation system.	
Operating Impact	
As this sidewalk project will be constructed along existing county maintained roads, the operations impact will be incidental to the operation and maintenance of those roadways.
