In the event of a claim, the City shall promptly notify the Consultant in writing by prepaid certified mail (return receipt requested) or by delivery through any nationally recognized courier service (such as Federal Express or UPS) which provides evidence of delivery, at the address provided for receipt of notices in this Agreement. The City shall provide all available information and assistance that the Consultant may reasonably require regarding any claim. This agreement for indemnification shall survive termination or completion of the Agreement. The insurance coverage and limits required in this Contract may or may not be adequate to protect the City and such insurance coverage shall not be deemed a limitation on the Consultant's liability under the indemnity provided in this section. In any proceedings between the parties arising out of or related to this Indemnity provision, the prevailing party shall be reimbursed all costs, expenses and reasonable attorney fees through all proceedings (at both trial and appellate levels).

Nothing in this Agreement shall be deemed to affect the rights, privileges and immunities of the City as set forth in Florida Statute § 768.28.

4. CONSULTANT'S INSURANCE

A. Insurance.

- (1) Before performing any work pursuant to this Agreement, the Consultant must procure and maintain, during the life of this Agreement, the insurance listed below against all claims of injury to persons or damage to property which may arise from or in connection with its performance of the Agreement work, unless otherwise specified. The policies of insurance must be primary and written on forms acceptable to the City and placed with insurance carriers approved and licensed by the State of Florida Department of Financial Services, and meet a minimum financial A.M. Best and Company, Inc. rating of no less than "A - Excellent: FSC VII." No changes can be made to these specifications without prior written approval by the City Manager or designee. The City Manager or designee may alter the amounts or types of insurance policies required by this Agreement upon agreement with the Consultant. The insurance policies must remain in place until all of the Consultant's and subconsultant(s)' obligations and warranty periods in place pursuant to this Agreement have been discharged or satisfied.
- (2) The below insurance requirements are minimum requirements for this Agreement and in no way limit the indemnity covenants contained in this Agreement. The City in no way warrants that the minimum limits are sufficient to protect the Consultant from liabilities that might arise out of the performance of the work done pursuant to this Agreement by the Consultant, its agents, representatives, employees, or subconsultants. Consultant is free to purchase additional insurance as it may determine necessary. The extent of Consultant's liability for indemnity of the City must not be limited by insurance coverage or lack thereof, or unreasonably delayed for any reason, including but not limited to, insurance coverage disputes between the Consultant and its carrier.

B. **Workers' Compensation and Employer's Liability Insurance:** Coverage must be provided for all employees at Statutory Limits in accordance with all applicable state and federal laws. The vendor shall furnish proof of current Worker's Compensation Insurance.

- D. **Automobile Insurance:** The vendor shall provide proof of current auto insurance coverage for all vehicles owned, leased, hired, and non-owned. Acceptable coverage may include proof of Commercial Auto Liability Insurance or Personal Automobile Coverage. - E. **Professional Liability Insurance:** Minimum \$1,000,000 per occurrence for this project with a \$1,000,000 policy term general aggregate. Coverage must be extended beyond the policy year term either by a supplemental extended reporting period (ERP) with as great of duration as available, with no less coverage and reinstated aggregate limits, or by requiring that any new policy provide a retroactive date no later than the inception date of claims made. The City prefers all Professional Liability Insurance be written on an Occurrence Form; however, in the event that the professional liability insurance required by the Agreement is written on a claims-made basis, Consultant warrants that any retroactive date under the policy precedes the effective date of this Agreement; and that either continuous coverage will be maintained for a period of two (2) years or an extended reporting period (ERP) with tail coverage will be obtained and maintained for a period of two (2) years beginning at the time work under this Agreement is completed.
- F. **Waiver of Subrogation:** All required insurance policies are to be endorsed with a waiver of subrogation. The insurance companies, by proper endorsement or through other means, agree to waive all rights of subrogation against the CITY, its officers, officials, employees and volunteers, and the CITY'S insurance carriers, for losses paid under the terms of these policies that arise from the contractual relationship or work performed by CONSULTANT for the CITY. It is CONSULTANT'S responsibility to notify its insurance company of the waiver of subrogation and request written authorization or the proper endorsement. ADDITIONALLY, CONSULTANT, ITS OFFICERS, OFFICIALS, AGENTS, EMPLOYEES, VOLUNTEERS, AND ANY SUBCONTRACTORS, AGREE TO WAIVE ALL RIGHTS OF SUBROGATION AGAINST THE CITY AND ITS INSURANCE CARRIERS FOR ANY LOSSES PAID, SUSTAINED, OR INCURRED, BUT NOT COVERED BY INSURANCE, THAT ARISE FROM THE CONTRACTUAL RELATIONSHIP OR WORK PERFORMED. THIS WAIVER ALSO APPLIES TO ANY DEDUCTIBLES OR SELF-INSURED RETENTIONS FOR WHICH CONSULTANT OR ITS AGENTS MAY BE RESPONSIBLE.
- G. **POLICY FORM**
- (1) All policies required by this Agreement, with the exception of Professional Liability and Workers Compensation, or unless Risk Management through the City's Purchasing Office gives specific approval, are to be written on an occurrence basis and must name the City of North Port, Florida, its Commissioners, officers, agents, and employees, as additional insureds as their interest may appear under this Agreement. Claims Made Policies will be accepted for professional liability and hazardous materials and such other risks as are authorized by the City's Purchasing Office. All Claims Made Policies contributing to the satisfaction of the insurance requirements in this Agreement must have an extended reporting period option or automatic coverage of not less than two (2) years. If provided as an option, Consultant agrees to purchase the extended reporting period on cancellation or termination unless a new policy is affected with a retroactive date, including at least the last policy year.
- (2) Insurance requirements itemized in this Agreement and required of Consultant, must be provided by or on behalf of all sub-consultants to cover their operations performed under this Agreement. Consultant must be held responsible for any modifications, deviations, or omissions in these insurance requirements as they apply to sub-consultants.

The extent of CONSULTANT'S liability for indemnity of the CITY must not be limited by insurance coverage or lack thereof, or unreasonably delayed for any reason, including but not limited to, insurance coverage disputes between CONSULTANT and its carrier.
- (6) Consultant must be solely responsible for payment of all premiums for insurance contributing to the satisfaction of this Agreement and must be solely responsible for the payment of all deductibles and retentions to which such policies are subject, whether or not the City is an insured under the policy. Consultant's insurance is considered primary for any loss, regardless of any insurance maintained by the City. Consultant is responsible for all insurance policy premiums, deductibles, SIR (self-insured retentions) or any loss or portion of any loss that is not covered by any available insurance policy.
- (7) All certificates of insurance must be on file with and approved by the City before commencement of any work under this Agreement. REQUEST FOR PROPOSAL NO. 2025-36
PROFESSIONAL PLANNING SERVICES

The Consultant shall neither commence any Work, nor enter a City Work premise, until the Consultant has received a **fully executed Work Assignment** from the City serving as written Notice to Proceed (“NTP”).

The parties agree that the scope of services for any Work Assignment is a description of Consultant’s obligations and responsibilities and is deemed to include preliminary considerations and prerequisites, and all labor, materials, equipment, and tasks which are such an inseparable part of the work described that exclusion would render performance by Consultant impractical, illogical, or unconscionable.

Consultant and City acknowledge that Scope of Services may not delineate every detail and minor work task required to be performed by Consultant to complete the Project. If, during the course of the performance of the services included in the Work Assignment, Consultant determines that work should be performed to complete the Project which is in the Consultant’s opinion outside the level of effort originally anticipated, whether or not the Scope of Services identifies the work items, Consultant shall notify the City in writing in a timely manner before proceeding with the work. If Consultant proceeds with said work without notifying the City, said work shall be deemed to be within the original level of effort, whether or not specifically addressed in the Scope of Services. Notice to the City does not constitute authorization or approval by City to perform the work. Performance of work by Consultant outside the originally anticipated level of effort without prior written City approval is at Consultant’s sole risk.

Consultant acknowledges and agrees that services under this Agreement will be requested by City on an as-needed basis only, and no representation or guarantee is made by City to Consultant that City will utilize Consultant’s services exclusively or at all.

B. Direct Work Assignment Process:

Upon approval from the Procurement Manager, City staff may forego the Letter of Interest Process and proceed directly with the Work Assignment process. A scope with itemized tasks and fee schedule based on contracted hourly rates will be obtained from one of the contracted firms, reviewed, negotiated and awarded. This process will be used when circumstances warrant a more expedient process.

C. Invoicing:

Consultants shall invoice the City for each project or assignment, as negotiated. Each invoice shall identify the invoice number; project or assignment; detail the contract price; payments made to date; percentage of completion of the assignment/project/phase and/or employees names, titles, direct labor rates, and multiplier; payment due this invoice; remaining balance due; attached list of approved reimbursables with appropriate receipts. Invoices shall itemize hours, hourly wage, or other unit agreed upon as measurement of payment during negotiations, if requested. If hourly, invoices shall identify the name and title of personnel who performed the work.

Invoices shall also include a detailed bullet list of work completed within the period of the invoice. Bullet list of work completed shall clearly identify the work associated with the current billing.

D. Compensation:

Compensation to the consultant shall include the following: all profit, direct and indirect labor costs, personnel related costs, overhead and administrative costs, and all other costs not indicated as non-reimbursable below.

No claim for reimbursement for these expenses shall be made to the City:

All change orders, including no-cost change orders, to Work Assignments require approval by City Manager, at a minimum. Some change orders will require Commission approval.

The consultant shall fully understand the City's Change Order Policy. F. Schedule:

An understanding and agreement, by and between the Consultant and the City, that the completion time will be as specified in approved work assignments and that all work shall be prosecuted regularly, diligently, and uninterrupted at such rate of progress as will ensure full completion thereof as specified in the Scope of Services.
