# Sebastian council members arrested on Sunshine Law violations

By **Meghan McRoberts** | June 16, 2020 at 7:28 PM EDT - Updated June 17 at 12:28 PM

Two Sebastian council members have been arrested on criminal charges related to their involvement in an illegal meeting in April where they tried to remove multiple top city officials from their positions.

On April 22, the Sebastian city manager postponed a regular council meeting where the removal of the mayor was a topic of discussion. The postponement was advertised on the city's website.

Council members Charles Mauti, Damien Gilliams and Pamela Parris are accused of still holding their own meeting that night, unbeknownst to the public, and voting to fire the city attorney, city manager, and city clerk from office and remove the mayor from his position.

The actions were voided as the legality of the meeting was under review.
