## Twelve Month Impact Statement

Define your non-profits missions/goals?

**The Friends of Shannon Staub Public Library, Inc. is a group of dedicated individuals whose mission is to ensure an exciting, worthwhile, and sustainable library that engages the community.**

Through the NP2 funds, goals set to meet this mission were as follows:

1. Increase accessibility to large print books for the older population prevalent in the North Port community, as well as any persons requiring large print media.
2. Increase the number of fiction large print books in the SSL collection
3. Increase the number of current novels written by authors found on the best sellers' lists
4. Increase the number of library patrons checking out large print books

Indicators or methods used to measure impact.

1. **Shannon Staub Library has increased the accessibility of large print books by setting up a display near the circulation desk of the 65 new books received from NP2. This allows patrons to see the books more easily.**
2. **SSL has increased by 65, the number of large print books by current, best-selling authors.**
3. **The 65 new large print books have been circulated 402 times since their introduction in March.**
4. **Each book has been borrowed an average of 6.18 times in 6 months.**
5. **The books have been out of the library 4.5 of 6 months.**
