According to my director it is under Sarasota County Historical Resources. I would have him reach out to Joshua Goodman, Division Manager at [jgoodman@scgov.net](mailto:jgoodman@scgov.net).

Hey Afternoon my friend!

Quick question: I was speaking with the Board last month, and it appears that they're curious as to who manages the 3 graces fountain at the entrance of Warm Mineral Springs? I'm not sure if that's a your department-type question, or another department, or even another county like Sarasota County issue. Could you please shed some light on this for me, if you know anything? Or maybe point me in the direction of who to talk to?

Respectfully,

**Michael White**
