Last Status update: 26 Oct 2023 I learned today from Commissioner McDowell that City of Doral settled a claim related to their moratorium. From docs forwarded by FLC, it appears that the City settled an informal dispute after receiving an attorney's letter - the developer had an application on file prior to the effective date of Live Local. MRT spoke with the City Attorney in Sept; there was no mention of this, likely because it was a pending claim.
