To the city of North Port and employees of the aquatic center,

I am writing to sincerely apologize for hitting and damaging the water pipe at the water park. I understand the severity of my actions and the inconvenience I caused along with the potential there was for the incident to be way worse than it was. I take full responsibility for this situation and will use this as a valuable learning experience. There was never intent to cause damage and it was an unfortunate accident. I am truly sorry for everything that occurred and am deeply sorry for everyone that is involved in this situation. I write this letter with deep regret and remorse. I ask that there could be consideration to lift my trespass from the waterpark as I am often at Butler Park for work and do not want to be mistakenly present on the premises. I hope this letter finds you well.

With sincere regret,

Cayden Lee Thomas
