9. GENERAL TERMS.

- a. Entire Agreement. This ISAA constitutes the entire Agreement between the Parties with regard to information sharing. However, if this ISAA is used to supplement a contract between the Parties, to the extent there is any conflict between a term of this ISAA and a term in other acquisition documentation, the term of the underlying acquisition, including the Homeland Security Acquisition Regulations (HSAR) Safeguarding of Sensitive Information (MAR 2015) and Information Technology Security and Privacy Training (MAR 2015) clauses will supersede.
- b. **Effective Date, Duration,and Termination.** This ISAA will become effective upon the signature of both Parties and will remain in effect for 3 years or the lifetime of the acquisition period, whichever is shorter. However, FEMA will only provide the information identified in Appendix A for the disaster period of assistance or, if applicable, for the period of time specified in the Routine Use, whichever is longer. Either party may terminate this Agreement upon written notice to the other party.
- c. Modification. This ISAA may be modified upon the mutual written consent of the Parties.
- d. **Counterparts.** This ISAA, when executed in any number of counterparts and by different Parties on separate counterparts, each of which counterparts when so executed and delivered shall be deemed to be an original, and all of which counterparts taken together shall constitute but one and the same Agreement.
- e. **Severability.** Nothing in this ISAA is intended to conflict with current law, regulation or FEMA directives. If a term of this ISAA is inconsistent with such authority, then that term shall be invalid, but the remaining terms and conditions of this ISAA shall remain in full force and effect.
- f. **No Private Right.** This ISAA is an internal Agreement between FEMA and the Recipient Entity. It does not create nor confer any right or benefit that is substantive or procedural, enforceable by any third party against the Parties, the United States, or other officers, employees, agents, or associated personnel thereof. Nothing in this ISAA is intended to restrict the authority of either party to act as provided by law, statute, or regulation, or to restrict any party from administering or enforcing any laws within its authority or jurisdiction. Accordingly, the terms of this Agreement do not constitute or imply the grant, by the United States of America, of any other consent, accord, satisfaction, advice, or waiver of its rights, power or authority.
- g. **Funding.** This ISAA is not an obligation or commitment of funds, nor a basis for transfer of funds. Each party shall bear its own costs in relation to this ISAA. Expenditures by each party will be subject to its budgetary processes and to availability of funds pursuant to applicable laws, regulations, and policies. The Parties expressly acknowledge that this in no way implies that Congress will appropriate funds for such expenditures.
- h. **Issue Resolution.** FEMA and Recipient Entity understand that during the course of this ISAA, they may have to resolve issues such as: scope, interpretation of provisions, unanticipated technical matters, and other proposed modifications. Both Parties agree to appoint their respective points of contact to work in good faith towards resolution of such issues. [See Appendix B for points of contacts.]
