APPLICANT:	Manish Patel (Exhibit A, Affidavit)
OWNERS:	Vijay Patel, Owner of North Port Investment One LLC (Exhibit B, Warranty Deed)
LOCATION:	Northwest corner of South Tamiami Trail (US-41) and Ortiz Boulevard - PID # 0791020004
PROPERTY SIZE:	± 1.17716 acres

I. BACKGROUND

Manish Patel (Authorized Agent), on behalf of Vijay Patel, Owner of North Port Investment One LLC (Property Owner), submitted an application to the City of North Port for the voluntary annexation of a ± 1.7716 -acre parcel of property, which includes the Warm Mineral Springs Motel. The property is located at the northwest corner of the intersection of South Tamiami Trail and Ortiz Boulevard. The property currently has the Sarasota County designation of General Commercial (CG) and the Sarasota County future land use designation of Commercial Corridor (COMCOR).

The Warm Mineral Springs Motel was constructed in 1958 and is listed in the National Register of Historic Places. In addition, the property lies within the City's Future Annexation Area, meaning it is designated to be considered for annexation. It is bordered to the east by Activity Center #1 and directly to the south by vacant commercial property located inside the City's boundaries.

Subsequent to the proposed annexation of the property into the City's boundary, an application to change the future land use map designation of the property to be consistent with the City's Comprehensive Plan is required. At this time, the applicant has only applied to voluntarily annex their property into the City. Applications for a comprehensive plan amendment and rezone are anticipated to be submitted at a later date.

II. REVIEW PROCESS

The following departments provided comments and conditions in the staff review summary table below. It should be noted that the Utilities Department condition applies to the design of the required sanitary sewer system. City staff will review the system for compliance when an application for the sanitary sewer system is submitted to the City.

III. DATA & ANALYSIS

FLORIDA STATUTES CHAPTER 171, PART I MUNICIPAL ANNEXATION OR CONTRACTION, SECTION 171.044 VOLUNTARY ANNEXATION

Owners of real property in an unincorporated area of a county contiguous to a municipality may petition the municipality to be annexed. Upon determination that the petition bears the signatures of all owners of the property in the area proposed to be annexed, the governing body may adopt a non-emergency ordinance. The notice shall be published for two consecutive weeks in a newspaper of general circulation. A copy of the notice must be provided to the Board of County Commissioners via certified mail at least 10 days prior to publishing.

Staff Findings: The voluntary annexation application bears the property owner's signature. Ordinance No. 2024-08 was advertised according to the above state statute requirements on Monday, March 4, 2024, and Monday, March 11, 2024. A copy of the notice was sent to the Sarasota County Board of County Commissioners via certified mail on February 21, 2024 (Exhibit C, Legal Advertisement, Exhibit D, Notice to County Commissioners).

Staff concludes that the requirements of Chapter 171, Part I of the Florida Statutes, Section 171.044 have been met.

COMPREHENSIVE PLAN - CHAPTER 2 – FUTURE LAND USE

Future Land Use Policy 2.1.7: Encourages voluntary annexations in Sarasota County to expand Activity Center #1 between Warm Mineral Springs and the eastern boundary of the West Village Improvement District (fka Thomas Ranch) and (nka Wellen Park) in order to enhance and diversify the City's tax base.

Staff Findings: The subject property is located within the voluntary annexation area described above in Sarasota County and would expand Activity Center - 1, if the annexation is approved. This policy outlines how the annexed property must be zoned. "Upon annexation, and after the amendment of the Comprehensive Plan, shall be zoned to PCD with default zoning of CG." Though a zoning designation is not proposed through a rezone petition at this time, it will be required to be rezoned to Planned Community Development, consistent with this policy.

Staff concluded that the proposed annexation is consistent with Policy 2.1.7 of the Future Land Use Element of the Comprehensive Plan.

Future Land Use Policy 2.1.13: Policy 2.1.13 identifies potential annexation areas 1A, 1B, and 1C on Map 1. It also states that upon annexation, the City shall recommend a future land use designation of 'Activity Center 1' be applied through a comprehensive plan amendment.

Staff Findings: The subject property is located within potential annexation area 1C, as identified on Map 1 in Policy 2.1.13 of the City of North Port Comprehensive Plan and shown below in Figure 1. A comprehensive plan amendment is not currently proposed. At the time an application for a comprehensive plan amendment is submitted for this property, it will be required to be consistent with this policy.

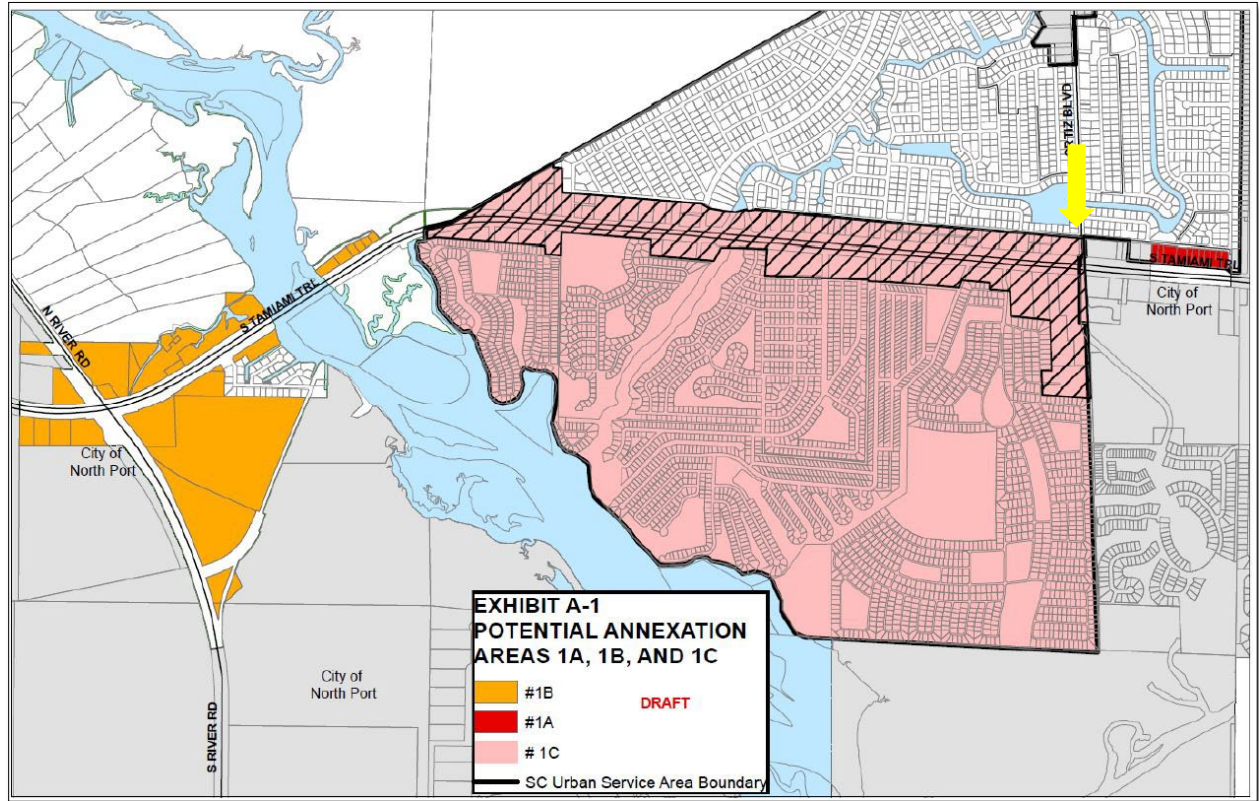

Figure 1-Potential Annexation Areas

Staff concludes that the proposed annexation is consistent with Policy 2.1.13 of the Future Land Use Element of the Comprehensive Plan.

Future Land Use Policy 6.6.2: Upon annexation of contiguous lands along US 41 as shown in Map 1 FLU Policy 2.1.13, the properties identified as Future Annexation Area/Future Urban Service Area Boundary will be eligible for urban services allowed by the USB.

Staff Findings: The subject property is located within the Urban Service Area Boundary MAP 2-9, shown in Figure 2 below.

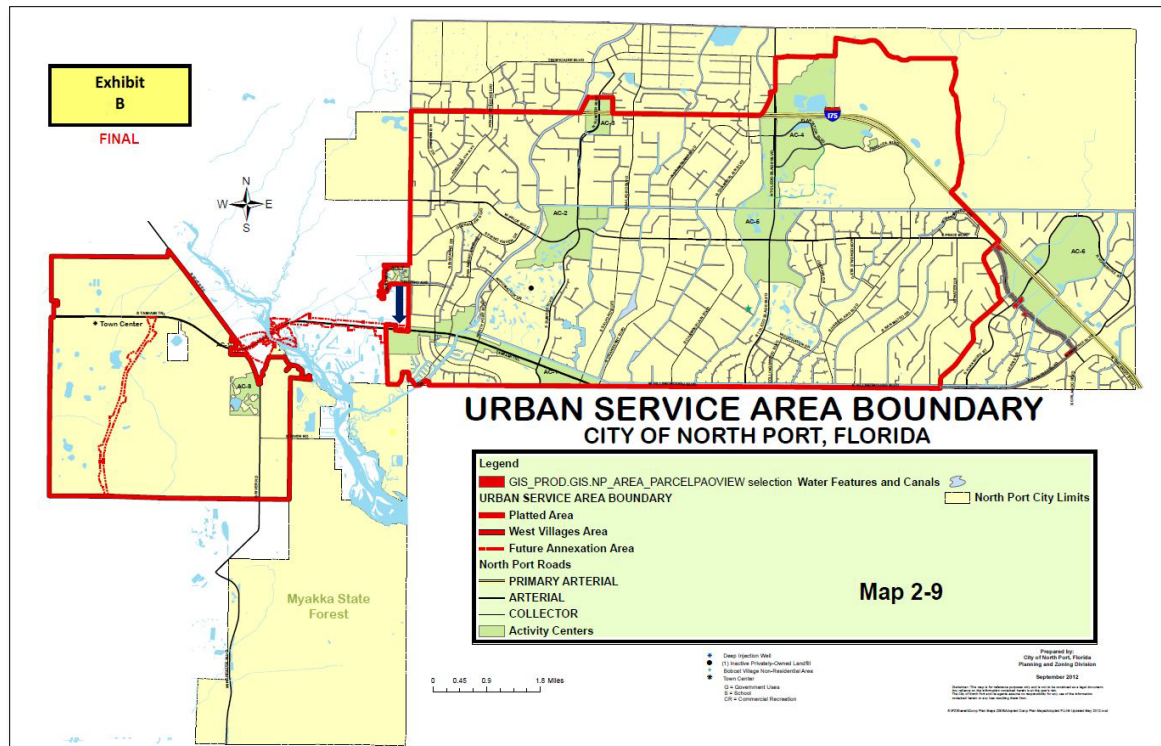

Figure 2 - Urban Service Area Boundary Map

The Utilities Department has provided written confirmation through a willingness to serve water and wastewater letter that service is available at the subject property. (**Exhibit E, Willingness to Serve Water and Wastewater Letter**). In addition, Fire and Police are located within 6 miles of the motel and can serve the property proposing to be annexed.

Staff concludes that the proposed annexation is consistent with Policy 6.6.2 of the Future Land Element of the Comprehensive Plan.

Unified Land Development Code (ULDC) Chapter 53—Zoning Regulations, Article 1—Map; Boundaries, Section 22—Annexations

ULDC Sec. 53-22 stipulates that annexations shall be by non-emergency ordinance and must meet Florida Statutes Chapter 171. As the annexation would change the City boundaries, this change must be reflected on the Official Zoning Map. The section also lists submission requirements for a complete annexation application packet and the review and public hearing processes.

Staff Findings: The annexation petition was submitted to the City and reviewed for sufficiency to ensure all appropriate supporting documents were included. Following the review process, the Planning and Zoning Advisory Board and City Commission will hear the annexation ordinance. Notification of the annexation petition was sent to the Sarasota County Board of County Commissioners and advertised weekly for two (2) consecutive weeks. In addition, notice was sent to property owners within one thousand three hundred (1,320) feet of the subject property.

Staff concludes that the proposed annexation is consistent with ULDC Sec. 53-22.

IV. FISCAL IMPACT ANALYSIS

Staff performed a fiscal impact analysis for the proposed annexation using data from the applicant and assumptions based on current market trends. Over ten years, a net benefit of \$175,727 is expected to be realized. For this analysis, staff assumed this development is a hotel/motel with approximately 28 units and approximately 21,400 square feet of space. (Exhibit F, Fiscal Impact Analysis).

V. LEGAL REVIEW

Ordinance 2024-08 has been reviewed and approved by the City Attorney as to form and correctness.

VI. BUSINESS IMPACT ESTIMATE

Staff provided a Business Impact Estimate per Florida Statutes Section 166.041(4) (Exhibit G, Business Impact Estimate).

City Commission Public Hearing First Reading	April 9, 2024 10:00 AM or as soon thereafter

Willingness to Serve Water, Wastewater

RE: Property at PID: 0791020004 Lots 1,2,3 and 28

Dear NORTH PORT INVESTMENT ONE LLC,

The City of North Port Utilities Department has reviewed your request for a letter of Service Availability for the above referenced property.

Per your request, it is understood that at this time the following properties will include the following developments:

Parcel 1, 2, 3, and 28	
General Estimate ERC Total	13.5

This project is not within the City Limits; However, the parcel is within the City's anticipated or projected utility service area as well as the US 41 corridor service area. Currently, the City has capacity at its water treatment plant and sewage treatment plant to provide capacity for this project. The capacity will be made available at the time of payment for capacity and may require contributions by the developer and/or the property owner. Although the City has capacity to serve this project, certain on-site and off-site utility improvements must be completed by the owner/developer and accepted by the City prior to water and wastewater service being available to this specific site.

In addition, because this property is in the County and outside City limits, in order for the City to provide water and wastewater service the Owner/Engineer must provide a letter from Sarasota County Utilities acknowledging that the City of North Port may provide service to the subject parcel until such time that the property is annexed into the City limits. The letter shall be provided to the City of North Port Utility Department.

The City does not guarantee or reserve capacity to any project unless the owner/developer enters into a Utility Agreement with the City, which may require voluntary annexation into the City, and will require approval by the City Commission.

Before a building permit can be issued, an application for service, capacity fees and deposits will be required, and the builder must provide a plumbing plan, which is required on any non-residential structures to the City's Utility Department for calculation of appropriate capacity fees and meter size.

The City will not release a building permit until the required fees have been paid.

Our staff looks forward to working with you in the future to further develop plans for your utility needs. If you have any questions or require additional information, please do not hesitate to contact our office.

Sincerely,

NORTH PORT UTILITIES

Business Impact Estimate

This Business Impact Estimate is provided in accordance with Florida Statutes Section 166.041(4).

ORDINANCE NO. 2024-08

AN ORDINANCE OF THE CITY OF NORTH PORT, FLORIDA, ANNEXING ± 1.7716 ACRES OF REAL PROPERTY LOCATED IN THE UNINCORPORATED AREA OF SARASOTA COUNTY, FLORIDA AND CONTIGUOUS TO THE EXISTING CITY LIMITS OF THE CITY OF NORTH PORT, FLORIDA; REDEFINING THE BOUNDARY LINES OF THE CITY OF NORTH PORT TO INCLUDE THIS PROPERTY; PROVIDING FOR FINDINGS; PROVIDING FOR ANNEXATION; AMENDING THE OFFICIAL ZONING MAP; PROVIDING FOR ASSESSMENT AND TAXATION; PROVIDING FOR FILING OF DOCUMENTS; PROVIDING FOR CONFLICTS; PROVIDING FOR SEVERABILITY; AND PROVIDING AN EFFECTIVE DATE.

1. Summary of the proposed ordinance

This ordinance proposes the voluntary annexation of approximately 1.7716 acres of certain contiguous real property into the corporate limits of the City of North Port, Florida, by Florida Statutes Chapter 171 and the Unified Land Development Code Section 53-22.

The public purpose of the ordinance is to serve the public health, safety, morals, and welfare of the citizens of the City of North Port, Florida. The property subject to this annexation request is a hotel currently experiencing septic system failure. Annexation of the property is required for connection to the City's water and wastewater utility. Providing utility services to this business that serves the public ensures public health will be maintained. Annexation of the property into the City limits enhances and diversifies the City's tax base. Diversifying the tax base helps minimize the tax burden on residential property owners. Increased ad-valorem revenue to the City will supplement capital improvement projects to serve the community.

2. Estimate of the direct economic impact of the proposed ordinance on private, for-profit businesses in the City, if any, including:

- (a) An estimate of direct compliance costs that businesses may reasonably incur if the ordinance is enacted;**
- (b) Any new charge or fee imposed by the proposed ordinance or for which businesses will be financially responsible; and,**
- (c) An estimate of the City's regulatory costs, including estimated revenues from any new charges or fees to cover such costs.**

This proposed ordinance imposes no direct compliance costs on businesses and imposes no new charges or fees on those businesses.

Regulatory costs to the annexation property include initiation fees for connecting to City water and sewer services of approximately \$103,287.00. The fees associated with connecting to City services may change at the time the actual connection is made, as these are subject to the Code of the City of North Port, Chapter 78-60 Utilities. The estimated monthly base facility charge for water is \$131.25, and \$200.02 for wastewater, for a total monthly base cost of \$331.27. These charges do not include the monthly consumption rate of \$6.16 per 1,000 gallons up to 20,000 gallons for water and \$8.70 per 1,000 gallons for sewer, as those figures are based on usage and vary. The estimated increase in ad-valorem taxes impacting the business is approximately \$4,236.00, based on the Sarasota County Property Appraiser assessed value of \$1,124,695.00 and the City of North Port's current millage rate of 3.7667.

The total estimated revenues are as follows:

- One-time connection fee of \$103,287.00 for water and sewer.
- An estimated annual revenue of \$3,975.24 for the water and sewer base facility charge and \$4,236.00 in ad-valorem taxes for an additional annual revenue of \$8,211.24.

3. The City's good faith estimate of the number of businesses likely to be impacted by the proposed ordinance.

One; this ordinance will only impact one business owner (petitioner) and does not directly impact surrounding businesses.

4. Additional information the governing body deems useful, if any

None.
